

10. On page 39341, in the second column, on line 10, correct the punctuation by adding a "." at the end of the sentence.

11. On page 39341, in the third column, in the second full paragraph, on line 3, correct the word "would" to read "will".

12. On page 39341, in the third column, under the heading "Cost Assessment," on line 2, correct the words "practice or regulations" to read "practice or because of regulations".

13. On page 39342, in the first column, on line 6, correct the word "assume" to read "assumes".

14. On page 39342, in the second column, under the heading "Benefit Assessment," on line 4, correct the words "Area Maritime Security" to read "Area Maritime Security (AMS)".

15. On page 39343, in the second column, in the first paragraph under the heading "Assistance for Small Entities," on line 3, correct the word "Pub. L." to read "Public Law".

16. On page 39343, in the third column, in the first paragraph under the subheading "Summary of the Collection of Information:", on line 5, correct the words "OCS platforms" to read "OCS facilities".

Corrections to the Regulatory Text

PART 106—OUTER CONTINENTAL SHELF (OCS) FACILITY SECURITY

■ 1. Correct part 106 by revising the authority citation to read as follows:

Authority: 33 U.S.C. 1226, 1231; 46 U.S.C. Chapter 701; 50 U.S.C. 191; 33 CFR 1.05–1, 6.04–11, 6.14, 6.16, and 6.19; Department Of Homeland Security Delegation No. 0170.1.

§ 106.205 [Corrected]

■ 2. Correct § 106.205 by revising paragraph (c)(4) to read:
(4) Methodology of Facility Security Assessment.

■ 3. In § 106.205(c)(5), correct the punctuation "." to read ";".

§ 106.215 [Corrected]

■ 4. Correct § 106.215 by revising paragraph (a) to read:
(a) Knowledge of current and anticipated security threats and patterns.

§ 106.235 [Corrected]

■ 5. In § 106.235(b), correct the words "owner and operator" to read "owner or operator".

§ 106.240 [Corrected]

■ 6. In § 106.240(b), correct the words "with the cognizant District Commander," to read "the cognizant District Commander,".

§ 106.250 [Corrected]

■ 7. In § 106.250(d), correct the word "DOSs" to read "DoSs".

§ 106.260 [Corrected]

■ 8. In § 106.260(a)(1), correct the words "introduction or dangerous" to read "introduction of dangerous".

■ 9. In § 106.260(e)(7), correct the word "passengers" to read "OCS facility personnel".

§ 106.275 [Corrected]

■ 10. In § 106.275(a)(2)(i), correct the words "around OCS facility;" to read "around OCS facilities;".

§ 106.280 [Corrected]

■ 11. In § 106.280(e), correct the word "OSC" to read "OCS".

§ 106.305 [Corrected]

■ 12. In § 106.305(c)(2)(v), correct the word "and" to read "or".

■ 13. In § 106.305(d)(1)(iv), correct the punctuation "." to read ";".

§ 106.405 [Corrected]

■ 14. In § 106.405(a) introductory text, correct the words "the list" to read "this paragraph".

■ 15. In § 106.405(a)(1), correct the term "OC" to read "OCS".

Dated: July 11, 2003.

T.H. Gilmour,

Rear Admiral, U.S. Coast Guard, Assistant Commandant for Marine Safety, Security and Environmental Protection.

Drawbridge Operation Regulations; Chincoteague Channel, VA

AGENCY: Coast Guard, DHS.

ACTION: Notice of temporary deviation from regulations; request for comments.

SUMMARY: The Commander, Fifth Coast Guard District, has issued a temporary deviation from the regulations governing the operation for the existing SR 172 drawbridge across the Chincoteague Channel, mile 3.5, at Chincoteague, Virginia. This temporary deviation will test a proposed change to the drawbridge operation schedule and

help determine whether a permanent change to the regulations is reasonable. This temporary deviation will allow the Chincoteague Channel Bridge to remain in the closed position from 7 a.m. to 5 p.m. on July 30 and on July 31, 2003. This temporary deviation is necessary to facilitate public safety during the Annual Pony Swim.

DATES: This deviation is effective from 7 a.m. on July 30, to 5 p.m. on July 31, 2003. Comments must be received by September 12, 2003.

ADDRESSES: You may mail comments to Commander (oan-b), Fifth Coast Guard District, 431 Crawford Street, Portsmouth, Virginia 23704, or deliver them to the same address between 8 a.m. and 4 p.m., Monday through Friday, except Federal holidays. The Commander, Fifth Coast Guard District (oan-b), maintains the public docket for this rulemaking. Comments and materials received from the public, as well as documents indicated in this preamble as being available in the docket, will become part of this docket and will be available for inspection or copying at the above address.

FOR FURTHER INFORMATION CONTACT: Linda L. Bonenberger, Bridge Management Specialist, Fifth Coast Guard District, at (757) 398–6227.

SUPPLEMENTARY INFORMATION:

Request for Comments

We encourage you to participate in this rulemaking submitting comments or related material. If you do so, please include your name and address, identify the docket number for this rulemaking (CGD05–03–095), indicate the specific section of this document to which each comment applies, and give the reason for each comment. Please submit all comments and related material in an unbound format, no larger than 8½ by 11 inches, suitable for copying. If you would like to know if they reached us, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. Comments must be received by September 12, 2003.

Background and Purpose

The Town of Chincoteague has requested a temporary deviation from the current operating regulation set out in 33 CFR 117.5 that requires the drawbridge to open promptly and fully for the passage of vessels when a request to open is given.

The purpose of the closure is for the Annual Pony Swim across the Assateague Channel between Assateague Island and Chincoteague

that takes place every year on the last Wednesday and Thursday in July. The herd is owned by the Chincoteague Volunteer Fire Department and managed by the National Park Service. This annual event began in the 1700's, but in 1925 the Fire Department took over the event that is also referred to as the Chincoteague Volunteer Fireman's Carnival. The proceeds from the auctioning of the ponies provide a source of revenue for the fire company and it also serves to trim the herd's numbers. On Wednesday, July 30, 2003, the ponies will be lead across the Assateague Channel from Assateague Island to Chincoteague where they will be auctioned off. On Thursday, July 31, 2003, the remaining ponies will be lead back across the channel to Assateague Island. Due to the high volume of spectators that attend this yearly event, it is necessary to close the draw span on each of these days between the hours of 7 a.m. to 5 p.m. to ensure the safety of the ponies and to vehicular traffic congestion on this small island as a result of drawbridge openings. The drawbridge will resume opening on demand after 5 p.m. on July 30, 2003, to 7 a.m. on July 31, 2003. After 5 p.m. on July 31, 2003, the bridge will once again resume normal operation.

Under this temporary deviation, the Chincoteague Channel Bridge may remain in the closed position from 7 a.m. to 5 p.m. on Wednesday, July 30, 2003, and on Thursday, July 31, 2003.

Since the Pony Swim is a well-known annual event that occurs on the last Wednesday and Thursday in July every year, and is publicly advertised, vessel operators can arrange their transits to minimize any impact caused by the temporary deviation.

This deviation from the operating regulations is authorized under 33 CFR 117.43, and comments and information gathered during the comment period will assist the Coast Guard in determining if this test operating schedule is reasonable and should be made a permanent addition to the drawbridge operation regulations.

Dated: July 9, 2003.

Waverly W. Gregory, Jr.,

Chief, Bridge Administration Section, Fifth Coast Guard District.

Drawbridge Operation Regulations; Brooks Memorial (S.E. 17th Street) Bridge, Atlantic Intracoastal Waterway Mile 1065.9, Fort Lauderdale, Florida

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule; request for comments.

SUMMARY: The Coast Guard is temporarily changing the operation of the new Brooks Memorial (SE. 17th Street) bridge across the Atlantic Intracoastal Waterway, Fort Lauderdale, Florida. This temporary rule requires the bridge to open on signal, except from 7 a.m. to 7 p.m. daily, the bridge need open only on the hour and half-hour.

DATES: This temporary rule is effective from 12:01 a.m. on July 16, 2003 until 6 p.m. on January 2, 2004.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket [CGD07-03-076] and are available for inspection or copying at room 432, Seventh Coast Guard District, Bridge Branch, 909 SE. 1st Avenue, Miami, Florida, 33131, between 7:30 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Mr. Michael Lieberum, Bridge Branch, 909 SE 1st Ave, Miami, Florida 33131, telephone number 305-415-6744.

SUPPLEMENTARY INFORMATION:

Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related material. If you do so, please include your name and address, identify the docket number for this rulemaking [CGD07-03-076], indicate the specific section of this document to which each comment applies, and give the reason for each comment. Please submit all comments and related material in an unbound format, no larger than 8½ by 11 inches, suitable for copying. If you would like to know they reached us, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period and may change this temporary rule in view of them.

Regulatory Information

We did not publish a notice of proposed rulemaking (NRPM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM because traffic studies indicate vehicular congestion in this area directly related to this bridge opening.

For the same reason, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**.

Background and Purpose

The Brooks Memorial (SE. 17th Street) bridge was replaced with a high-level bridge, which provides a vertical clearance of 55 feet above mean high water in the closed position and a horizontal clearance of 125 feet between fenders. The regulations for the old bridge were published in 33 CFR 117.261(hh) and will be removed as they do not apply to the new bridge. The new bridge has been operating on the old operating schedule since construction. Even though the new bridge has a higher vertical clearance than the old bridge, the number of openings has only slightly decreased because most sailboats still require a bridge opening. This temporary rule is intended to allow the Coast Guard to evaluate the adequacy of a half-hour schedule during the summer and winter daytime hours before a permanent rule is proposed.

Discussion of Rule

This temporary rule will require the Brooks Memorial (SE. 17th Street) bridge, mile 1065.9 at Fort Lauderdale, to open on signal; except that from 7 a.m. to 7 p.m. the draws need open only on the hour and half-hour.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS). We expect the economic impact of this rule to be so minimal that a full Regulatory Evaluation under the regulatory policies and procedures of DHS is unnecessary because the rule still provides for at least two openings every hour.
