EnerSmart Imperial Beach BESS LLC; Notice of Filing

Take notice that on October 6, 2022, pursuant to section 211 of the Federal Power Act,¹ and Section 9.3.3 of the San Diego Gas & Electric Company (SDG&E) Transmission Owner Tariff (SDG&E TO Tariff), and Section 4 of the SDG&E Wholesale Distribution Open Access Tariff (SDG&E Tariffs), EnerSmart Imperial Beach BESS LLC (EnerSmart Imperial Beach) filed an application requesting that the Federal Energy Regulatory Commission (Commission) issue an order requiring SDG&E to provide interconnection and transmission service for the proposed Imperial Beach BESS battery energy storage facility under the terms and conditions of the Transmission Control Agreement between SDG&E and the California Independent System Operator Corporation (CAISO), the SDG&E Tariffs, CAISO's Fifth Replacement FERC Electric Tariff, and the Small Generator Interconnection Agreements between EnerSmart Imperial Beach and SDG&E, dated May 31, 2022, as it may be in effect from time to time.²

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

In addition to publishing the full text of this document in the **Federal Register**, the Commission provides all interested persons an opportunity to view and/or print the contents of this document via the internet through the Commission's Home Page (<http://ferc.gov>) using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. At this time, the Commission has suspended access to the Commission's Public Reference Room, due to the proclamation declaring a National Emergency concerning the Novel Coronavirus Disease (COVID-19), issued by the President on March 13, 2020. For assistance, contact FERC at FERCOnlineSupport@ferc.gov or call toll-free, (886) 208-3676 or TTY, (202) 502-8659.

The Commission strongly encourages electronic filings of comments, protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically may mail similar pleadings to the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426. Hand delivered submissions in docketed proceedings should be delivered to Health and Human Services, 12225 Wilkins Avenue, Rockville, Maryland 20852.

Gas Transmission Northwest LLC; Notice of Revised Schedule for Environmental Review of the GTN XPress Project

This notice provides the Federal Energy Regulatory Commission staff's revised schedule for completion of the environmental impact statement (EIS) for Gas Transmission Northwest LLC's (GTN) GTN XPress Project. The Notice of Intent issued on January 21, 2022 identified October 14, 2022 as the final EIS issuance date. However, numerous comments filed during the draft EIS comment period require additional time for Commission staff's analysis. As a result, staff has revised the schedule for issuance of the final EIS.

Schedule for Environmental Review

Issuance of the Notice of Availability of the final EIS—November 18, 2022
90-day Federal Authorization Decision Deadline¹—February 16, 2023

If a schedule change becomes necessary, an additional notice will be provided so that the relevant agencies are kept informed of the project's progress.

Additional Information

In order to receive notification of the issuance of the EIS and to keep track of all formal issuances and submittals in specific dockets, the Commission offers a free service called eSubscription. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to the documents. Go to <https://www.ferc.gov/ferc-online/overview> to register for eSubscription.

Additional information about the Project is available from the Commission's Office of External Affairs at (866) 208-FERC or on the FERC website (www.ferc.gov). Using the "eLibrary" link, select "General Search" from the eLibrary menu, enter the selected date range and "Docket Number" excluding the last three digits (*i.e.*, CP22-2), and follow the

¹ The Commission's deadline applies to the decisions of other federal agencies, and state agencies acting under federally delegated authority, that are responsible for federal authorizations, permits, and other approvals necessary for proposed projects under the Natural Gas Act. Per 18 CFR 157.22(a), the Commission's deadline for other agency's decisions applies unless a schedule is otherwise established by federal law.
