totaling approximately 5.76 acres.
Current use and present condition is
vacant grassland. The parcel is hilly and

traffic flow to areas along the northern
boundary of the airport. Approval does
not constitute a commitment by the
FAA to financially assist in the disposal
of the subject airport property nor a
determination of eligibility for grant-in-
aid funding from the FAA. The
disposition of proceeds from the
disposal of the airport property will be
in accordance FAA's Policy and
Procedures Concerning the Use of
Airport Revenue, published in the
Federal Register on February 16, 1999.
