Narrow Woven Ribbons With Woven Selvedge From the People's Republic of China: Preliminary Results of Countervailing Duty Administrative Review, Rescission in Part; 2020

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that certain producers/ exporters of narrow woven ribbons with woven selvedge (ribbons) from the People's Republic of China (China) received countervailable subsidies during the period of review (POR) January 1, 2020, through December 31, 2020. Interested parties are invited to comment on these preliminary results. DATES: Applicable June 9, 2022.

#### FOR FURTHER INFORMATION CONTACT:

#### SUPPLEMENTARY INFORMATION:

#### Background

On November 5, 2021, Commerce published the notice of initiation of this administrative review. For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.

#### Scope of the Order 3

The products covered by the *Order* are narrow woven ribbons with woven selvedge from China. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

### Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. We received a timely withdrawal of the request for review for Changtai Rongshu Textile Co., Ltd. (Changtai Rongshu) and Yangzhou Bestpak Gifts and Crafts Co., Ltd. (Yangzhou Bestpak) from Berwick Offray LLC and its wholly-owned subsidiary, Lion Ribbon Company LLC (collectively, the petitioner) and no other party requested a review of these companies.4 Therefore, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this administrative review of the Order with respect to Changtai Rongshu and Yangzhou Bestpak.

In addition, pursuant to 19 CFR 351.213(d)(3), Commerce's practice is to rescind an administrative review of a countervailing duty order when there are no reviewable entries of subject merchandise during the POR for which

liquidation is suspended.<sup>5</sup> Normally, upon completion of an administrative review, the suspended entries are liquidated at the countervailing duty assessment rate calculated for the review period.<sup>6</sup> Therefore, for an administrative review of a company to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the calculated countervailing duty assessment rate calculated for the review period.<sup>7</sup>

According to the CBP data, 113 of the companies subject to this review for which the request for review was not withdrawn did not have reviewable entries of subject merchandise during the POR for which liquidation is suspended.8 Therefore, we notified all interested parties of our intent to rescind this review with respect to these companies and provide parties an opportunity to submit comments, including factual information to demonstrate whether there were reviewable entries during the POR for these companies.9 No interested party filed comments regarding our intent to rescind this review for these companies. Accordingly, in accordance with 19 CFR 351.213(d)(3), in the absence of reviewable, suspended entries of subject merchandise during the POR by these 113 companies, Commerce is also rescinding this administrative review with respect to these companies.<sup>10</sup>

#### Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). In reaching these preliminary results, Commerce relied on facts otherwise available, with the application of adverse inferences. 11 For further information, see "Use of Facts Otherwise Available and Application of Adverse Inferences" in the accompanying Preliminary Decision Memorandum.

For a full description of the methodology underlying our

conclusions, see the Preliminary Decision Memorandum. A list of topics included in the Preliminary Decision Memorandum is provided as Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at https:// access.trade.gov. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at https://access.trade.gov/public/ FRNoticesListLayout.aspx.

#### Preliminary Rate for Companies Not Selected for Individual Review

The statute and Commerce's regulations do not address what rate to apply to respondents which are not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. Generally, Commerce looks to section 705(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation, for guidance when calculating the rate for non-selected respondents that are not examined individually in an administrative review. Section 705(c)(5)(A)(i) of the Act states that the all-others rate should be calculated by averaging the weightedaverage countervailable subsidy rates for individually-examined respondents, excluding rates that are zero, de minimis, or based entirely on facts available. Section 705(c)(5)(A)(ii) of the Act provides that where all rates are zero, de minimis, or based entirely on facts available, Commerce may use "any reasonable method" for assigning a rate to non-examined respondents.

In this review, we have preliminarily determined a rate based entirely on facts available for the sole mandatory respondent, Yama Ribbons and Bows Co., Ltd. In countervailing duty proceedings, where the number of respondents individually examined has been limited, Commerce has determined that a "reasonable method" to determine the rate applicable to companies not individually examined when all the rates of selected mandatory respondents are zero, de minimis, or based entirely on facts available, is to assign to the non-selected respondents the average of the most recently determined rates that are not zero, de *minimis*, or based entirely on facts available. In the most recently completed administrative review of the Order, we calculated a countervailable subsidy rate of 42.20 percent for Yama

Ribbons and Bows Co., Ltd., the sole mandatory respondent, that was not based entirely on facts available. <sup>12</sup> Thus, consistent with Commerce's past practice, we preliminarily assigned to

the non-individually examined respondents the rate calculated for Yama in the 2018 administrative review (*i.e.*, 42.20 percent).

#### **Preliminary Results of Review**

We preliminarily determine the following net countervailable subsidy rates for the period January 1, 2020, through December 31, 2020:

Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.17

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must do so within 30 days after the publication of these preliminary results by submitting a written request to the Assistant Secretary for Enforcement and Compliance using ACCESS. Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act, we intend to issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their case briefs, within 120 days after issuance of these preliminary results of this administrative review.

#### **Assessment Rates**

Consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), upon issuance of the final results, Commerce will determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the Federal Register. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

For the companies for which we have rescinded this administrative review, countervailing duties shall be assessed at rates equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2020, through December 31, 2020, in accordance with 19 CFR 351.212I(1)(i). Commerce intends to issue appropriate assessment instructions directly to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

#### **Cash Deposit Requirements**

In accordance with section 751(a)(2)(C) of the Act, Commerce also

intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for each of the respective companies listed above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all nonreviewed firms, CBP will continue to collect cash deposits of estimated countervailing duties at the all-others rate or the most recent company-specific rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### **Notification to Interested Parties**

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).
