Public Comment Time and Date: 11:20 a.m.–12 p.m., Eastern Standard Time, December 1, 2015

Please note that the public comment period ends at the time indicated above or following the last call for comments, whichever is earlier. Members of the public who want to comment must sign up by providing their name by mail, email, or telephone, at the addresses

provided below by November 27, 2015. Each commenter will be provided up to five minutes for comment. A limited number of time slots are available and will be assigned on a first come-first served basis. Written comments will also be accepted from those unable to attend the public session.

Status: Open to the public, limited only by the number of telephone lines. The conference line will accommodate up to 50 callers; therefore it is suggested that those interested in calling in to listen to the committee meeting share a line when possible.

Background: The Advisory Committee was established by Public Law 111-347 (The James Zadroga 9/11 Health and Compensation Act of 2010, Title XXXIII of the Public Health Service Act), enacted on January 2, 2011 and codified at 42 U.S.C. 300mm-300mm-61.

Purpose: The purpose of the Advisory Committee is to review scientific and medical evidence and to make recommendations to the Administrator of the World Trade Center (WTC) Health Program regarding additional WTC Health Program eligibility criteria and potential additions to the list of covered WTC-related health conditions, as well as providing consultation on research to the Administrator of the World Trade Center Health Program. Title XXXIII of the Public Health Service Act established within the Department of Health and Human Services (HHS), the World Trade Center (WTC) Health Program, to be administered by the Administrator of the World Trade Center Health Program. The WTC Health Program provides: (1) Medical monitoring and treatment benefits to eligible emergency responders and recovery and cleanup workers (including those who are Federal employees) who responded to the September 11, 2001, terrorist attacks, and (2) initial health evaluation, monitoring, and treatment benefits to residents and other building occupants and area workers in New York City, who were directly impacted and adversely affected by such attacks (“survivors”). Certain specific activities of the Administrator of the World Trade Center Health Program are reserved to the Secretary, HHS, to delegate at her discretion; other duties of the Administrator of the World Trade Center Health Program not explicitly reserved to the Secretary, HHS, are assigned to the Director, NIOSH. The administration of the Advisory Committee established under Section 300mm-1(a) is left to the Director of NIOSH in his role as Administrator of the World Trade Center Health Program. CDC and NIOSH provide funding,
