

Description of Respondents: Shot manufacturers.

Total Annual Burden Hours: The reporting burden is estimated to average 3,200 hours per application.

Total Annual Responses: We expect no more than 3 applications per year.

We invite comments concerning this renewal on: (1) Whether the collection of information is necessary for the proper performance of our migratory bird management functions, including whether the information will have practical utility; (2) the accuracy of our estimate of the burden of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and, (4) ways to minimize the burden of the collection of information on respondents. The information collections in this program are part of a system of record covered by the Privacy Act (5 U.S.C. 552(a)).

Dated: July 10, 2000.

Paul R. Schmidt,

Acting Assistant Director Migratory Birds and State Programs.

II. Public Comment Procedures

Participation in the public meeting is not a prerequisite for submittal of written comments from all interested parties. Your written comments should be specific and explain the reason for any recommendation. The BLM appreciates any and all comments, but those most useful and likely to influence decisions on BLM's use of science are those that are either supported by quantitative information or studies or those that include citations to and analysis of applicable laws and regulations. Except for comments provided in electronic format, commenters should submit two copies of their written comments, where practicable. The BLM will not necessarily consider comments received after the time indicated under the **DATES** section or at locations other than that listed in the **ADDRESSES** section.

In the event there is a request under the Freedom of Information Act (FOIA) for a copy of your comments, we intend to make them available in their entirety, including your name and address (or your e-mail address if you file electronically). However, if you do not want us to release your name and address (or e-mail address) in response to a FOIA request, you must state this prominently at the beginning of your comment. We will honor your wish to the extent allowed by the law. All submissions from organizations or businesses and from individuals identifying themselves as representatives or officials of organizations or business will be in

their entirety, including names and addresses (or e-mail addresses).

Electronic Access and Filing Address: Commenters may transmit comments electronically via the Internet to: lee_barkow@blm.gov. Please include the identifier "Science4" in the subject of your message and your name and address in the body of your message.

III. Accessibility

The meeting sites are accessible to individuals with disabilities. An individual with a disability who will need an auxiliary aid or service to participate in the hearing, such as interpreting service, assistive listening device, or materials in an alternate format, must notify the person listed under **FOR FURTHER INFORMATION CONTACT** two weeks before the scheduled hearing date. Although BLM will attempt to meet a request received after that date, the requested auxiliary aid or service may not be available because of insufficient time to arrange it.

Dated: August 8, 2000.

Lee Barkow,

Director, National Applied Resource Sciences Center.
