

many successfully completed an educational program. Although the common measures are an integral part of ETA's performance accountability system, these measures provide only part of the information necessary to effectively oversee the workforce investment system. ETA also collects data from RExO-Adult grantees on program activities, participants, and outcomes that are necessary for program management and for conveying full and accurate information on the performance of RExO-Adult programs to policymakers and stakeholders.

This information collection maintains a reporting and record-keeping system for a minimum level of information collection that is necessary to comply with Equal Opportunity requirements, to hold RExO-Adult grantees appropriately accountable for the Federal funds they receive, including

common performance measures, and to allow the Department to fulfill its oversight and management responsibilities.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and Section 246 of the Trade Act of 1974 (26

U.S.C. 2813), as amended, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on August 26, 2011, applicable to workers of Grays Harbor Paper, LLC, Hoquiam, Washington. The workers are engaged in activities related to the production of uncoated free sheet paper. The notice was published in the **Federal Register** on September 14, 2011 (76 FR 56816).

Based on these findings, the Department is amending this certification to include workers from Barrier West, Inc. working on-site at the

Hoquiam, Washington location of Grays Harbor Paper, LLC.

The amended notice applicable to TA-W-80,224 is hereby issued as follows:

All workers of Grays Harbor Paper, LLC, including on-site workers from Barrier West, Inc., Hoquiam, Washington, who became totally or partially separated from employment on or after June 7, 2010, through August 26, 2013, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974.
