The policy of NETC is to accommodate other training activities on a space-available basis at the Emmitsburg campus. In order for NETC to approve and schedule the use of its facilities, information must be provided by special group organizations. A written, email or telephone request for

use of NETC facilities is initially made to determine availability of the facilities. If space is available, the contact person for the special group must follow up by completing FEMA Form 75-11 to provide information on the number of participants, meals, and special requirements. The information is used to assign classrooms, schedule equipment, and arrange for food service. FEMA Form 75-10 is used to collect

names and purchase order numbers of those who will require lodging at NETC.
