BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE

Notice of Lodging of Amendment To Consent Decree Under the Comprehensive Environmental Response, Compensation and Liability Act

Under 28 CFR 50.7, notice is hereby given that on June 26, 2000, a proposed Amendment No. 1 to the Consent Decree ("Consent Decree Amendment") in *United States v. ASARCO Incorporated*, Civil Action No. C91-5528B was lodged with the United States District Court for the Western District of Washington.

In the original Consent Decree in this action, the United States settled claims against ASARCO Inc. ("Asarco") under the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA") for reimbursement of response costs and implementation of remedial actions in connection with the Asarco Tacoma Smelter, an operable unit of the Commencement Bay Nearshore/Tideflats Superfund Site ("CB N/T Site") in Ruston and Tacoma, Washington. Since entry of the Consent Decree, Asarco has been implementing the remedial action selected by EPA for the Asarco Tacoma Smelter. Amendment No. 1 adds lump sum stipulated penalties to be incurred by Asarco if it fails to meet certain revised deadlines for performing remedial actions at the Asarco Tacoma Smelter and with respect to sediments in Commencement Bay adjacent to the Smelter. The new stipulated penalties relate to revised deadlines by which Asarco must perform certain remedial actions at and near the Asarco Tacoma Smelter that were negotiated by EPA and Asarco and set forth in a Modification Agreement attached to the Consent Decree Amendment as Appendix A. In addition to delaying the schedule for Asarco's implementation of certain response actions at the Smelter, the Modification Agreement also allows for Asarco to reimburse response costs already incurred by EPA but not yet paid in three installments in 2001, 2002, and 2003, with interest accruing on the unpaid balance. The Modification Agreement also modifies requirements under the Consent Decree in *United States v. ASARCO Inc.*, Civil Action No. C94-5714 (W.D. Wash.), relating to the remediation of the Ruston/North
