Proposed Project: The Civil Rights Information Request Form—OMB No. 0990-0243—Reinstatement without Change—Office for Civil Rights (OCR).

Abstract: The Office of Civil Rights (OCR) is requesting a 3-year extension of the Civil Rights Information Request Form. The Civil Rights Information Request Form is designed to collect data from health care providers who have requested certification to participate in the Medicare Part A program. As part of the Medicare certification process, health care facilities must receive a civil rights clearance from the OCR. The information is used to determine compliance with civil rights statutes and regulations. The civil rights information is requested only when a health care provider applies for Medicare Part A certification; it is *not* necessary on a regular yearly basis. Entities that are affected by the Civil Rights Information Request Form are: Health care providers applying for Medicare certification, and individuals who, as a result of civil rights clearances, should be granted equal access to quality health care, regardless of race, color, national origin, disability, and age.
