number of small entities." The RFA generally defines the term "small entity" as having the same meaning as the terms "small business," "small organization," and "small governmental jurisdiction." In addition, the term "small business" has the same meaning as the term "small business concern" under the Small Business Act. A "small business concern" is one which: (1) Is independently owned and operated; (2) is not dominant in its field of operation; and (3) satisfies any additional criteria established by the Small Business Administration (SBA).

In the context of this Regulatory Flexibility Analysis, SBA regulations define small telecommunications entities in SIC code 4813 (Telephone Companies Except Radio Telephone) as entities with fewer than 1,500 employees. This NPRM initiates an inquiry concerning the sunset of the statutory requirements under section 272 that apply to the BOCs when they provide in-region, interLATA services. In particular, this NPRM seeks to develop a full record so that the Commission may properly assess, as contemplated by the statute: (1) Whether the structural safeguards and nondiscrimination requirements applied to the BOCs by section 272 should be extended by the Commission, despite the three-year sunset provision in the statute; and (2) whether any alternative safeguards should be put in place for the BOCs in states where the statutory requirements have sunset.

23. The issues under consideration in this proceeding directly affect only the BOCs and their affiliates, which do not qualify as small entities under the RFA. In particular, none of the BOCs is a small entity because each BOC is an affiliate of a Regional Holding Company (RHC), and all of the BOCs or their RHCs have more than 1,500 employees. Insofar as this proceeding applies to other BOC or RHC affiliates, those affiliates are controlled by the BOCs or by the RHC. Accordingly, they are not "independently owned and operated" entities for purposes of the RFA.

24. Therefore, the proposals in this NPRM, if adopted, will not have a significant economic impact on a substantial number of small entities. The Commission will send a copy of the NPRM, including a copy of this Initial Regulatory Flexibility Certification, to the Chief Counsel for Advocacy of the Small Business Administration. This Initial Certification will also be published in the **Federal Register**.
