

CZRY has been operating over the subject line pursuant to that Agreement since July 1, 2001. CZRY further indicates that, since late May 2001, it has been transporting sand over the subject line pursuant to a CZRY-SDIY Detour Agreement dated May 25, 2001.

CZRY asserts that it only recently became aware that its operations over the subject line required authority from the Board or an exemption, and that it has acted diligently in filing its notice of exemption upon learning of such requirement. CZRY certifies that its projected revenues will not exceed those that would qualify it as a Class III rail carrier and that its revenues are not projected to exceed \$5 million.

The transaction was scheduled to be consummated on or shortly after August 1, 2001 (7 days after the exemption was filed).

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 34078, must be filed with the Surface Transportation Board, Office of the Secretary, Case Control Unit, 1925 K Street, NW., Washington, DC 20423-0001. In addition, one copy of each pleading must be served on Thomas F. McFarland, 208 South LaSalle Street, Suite 1890, Chicago, IL 60604-1194.

Board decisions and notices are available on our website at "WWW.STB.DOT.GOV."

Decided: August 9, 2001.

By the Board, David M. Konschnik,
Director, Office of Proceedings.

Vernon A. Williams,
Secretary.
