DATES: This rule is effective without actual notice from August 18, 2014 until August 30, 2014. For the purposes of enforcement, actual notice will be used from the date the rule was signed, July 31, 2014, until August 18, 2014.

NPRM Notice of Proposed Rulemaking

A. Regulatory History and Information

There are three separate marine events addressed by this temporary regulation. On May 29, 2014 the Coast Guard published a NPRM entitled “Safety Zones; Marine Events in Captain of the Port Long Island Zone” in the **Federal Register** (79 FR 30783). No public comments were received on the proposed rule. No public meeting was requested and none was held.

The Village of Saltaire fireworks display and the Riverhead Rocks Triathlon were both held the previous year and had separate safety zones established by a temporary final rule entitled “Special Local Regulations and Safety Zones; Marine Events in Captain of the Port Long Island Sound Zone.” This rulemaking was published on July 10, 2013 in the **Federal Register** (78 FR 41300). The Baker Family Celebration fireworks display is a first time event with no other regulatory history.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. The comment period for the NPRM associated with the Freeport

Chamber of Commerce Fireworks Display expired on June 30, 2014. The first event covered by this regulation occurred on August 2, 2014. Thus, there was insufficient time for a 30 day effective period before the need to enforce the earliest of three safety zones established by this rule on August 2, 2014.

Delaying the enforcement of this rule to allow a 30 day effective period will be impractical and contrary to the public interest because it would inhibit the Coast Guard’s ability to fulfill its mission to keep the ports and waterways safe.

B. Basis and Purpose

The legal basis for this temporary rule is 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Public Law 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1, which collectively authorize the Coast Guard to define regulatory safety zones.

This temporary rule is necessary to promote the safety of life on navigable waterways within the COTP Long Island Sound Zone during these events.

C. Discussion of Comments, Changes and the Final Rule

No comments were received and there has been one change made to the final rule as a result of the sponsor for the Brookhaven Memorial Hospital Fireworks cancelling their event. The proposed safety zone associated with their event is no longer necessary and has been removed from the final rule.

The Coast Guard is establishing three safety zones for two fireworks displays and one swim event to provide for the safety of life on navigable waters during these events. This rule will be effective from 8:30 p.m. on August 2, 2014 to 10:30 p.m. on August 30, 2014.

The events covered by this regulation will be enforced on the respective dates, times, and locations listed in the table below. If any of the events are cancelled due to inclement weather, then this regulation will be enforced on rain dates listed in the table below.

Fireworks Displays

1 Village of Saltaire Fireworks	• Date: August 2, 2014. • Rain Date: August 30, 2014. • Time: 8:30 p.m. to 10:30 p.m. • Location: All waters of Saltaire Bay near Saltaire, NY within 600 feet of the fireworks barge located in approximate position 40°38’37.72” N, 073°11’58.52” W (NAD 83).
2 Baker Family Celebration Fireworks	• Date: August 16, 2014. • Rain Date: August 17, 2014. • Time: 8:30 p.m. to 10:30 p.m.

	• Location: All waters of Flanders Bay near Jamesport, NY within 600 feet of the fireworks barge located in approximate position 40°55'51.84" N, 072°35'07.92" W (NAD 83).
Swim Event	
3 Riverhead Rocks Triathlon	• Date: August 3, 2014 • Time: 6:20 a.m. to 8:30 p.m. • Location: All waters of the Peconic River, Riverhead, NY within the area bounded to the west by a line connecting points at 40°54'58.09" N, 072°39'37.56" W on the northern bank and 40°54'56.74" N, 072°39'37.56" W on the southern bank and bounded to the east by a line connecting points at 40°55'01.92" N, 072°38'51.08" W on the northern bank and 40°54'59.15" N, 072°38'51.08" W on the southern bank (NAD 83). All positions are approximate.

This rule prevents vessels from entering, transiting, mooring or anchoring within areas specifically designated as regulated areas during the periods of enforcement unless authorized by the COTP or designated representative.

Public notifications will be made to the local maritime community prior to the event through the Local Notice to Mariners and Broadcast Notice to Mariners.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes or executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

The Coast Guard determined that this rule is not a significant regulatory action because the regulated areas will be of limited duration and cover only a small portion of the navigable waterways. Furthermore, vessels may transit the navigable waterways outside of the regulated areas. Vessels requiring entry into the regulated areas may be authorized to do so by the COTP or designated representative.

Advanced public notifications will also be made to the local maritime community by the Local Notice to Mariners as well as Broadcast Notice to Mariners.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received zero comments from the Small Business Administration on this rule. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule will affect the following entities, some of which may be small entities: The owners or operators of vessels intending to enter, transit, anchor or moor within the regulated areas during the periods of enforcement from August 2, 2014, to August 30, 2014.

This temporary rule will not have a significant economic impact on a substantial number of small entities for the following reasons: The regulated areas are of short duration, vessels that can safely do so may navigate in all other portions of the waterways except for the areas designated as regulated areas, and vessels requiring entry into the regulated areas may be authorized to do so by the COTP Sector Long Island Sound or designated representative. Additionally, before the effective period, public notifications will be made to local mariners through appropriate means, which may include but are not limited to the Local Notice to Mariners as well as Broadcast Notice to Mariners.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in

understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to

coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children From Environmental Health Risks

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that might disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This rule is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of three safety zones. This rule may be categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

NPRM Notice of Proposed Rulemaking

A. Regulatory History and Information

The Coast Guard is issuing this final rule without prior notice and opportunity to comment pursuant to

authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B) and (d)(3), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule, and for giving it effect upon publication, as publishing an NPRM is impracticable given that the final details for this event were not received by the Coast Guard until July 23, 2014, and this event is scheduled for August 31, 2014. Further, allowing this event to go forward without a safety zone in place would expose mariners and the public to unnecessary dangers associated with fireworks displays contrary to the public interest.

B. Basis and Purpose

The legal basis for the rule is the Coast Guard’s authority to establish regulated navigation areas and other limited access areas: 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

On the evening of August 31, 2014, fireworks will be launched from a barge with a fall out zone that covers part of Indian River Bay. The Captain of the Port, Sector Delaware Bay, has
