

- Fund and implement training and workforce development programs that build skills and careers related to climate, natural disasters, environment, clean energy, clean transportation, housing, water and wastewater infrastructure, and legacy pollution reduction.

IV. Research and Data Collection, Analysis, Utilization

- Priority Action(s)
 - Support research that explores the multiple and complex factors contributing to minority health disparities, including but not limited to environmental factors acting independently or dependently across multiple social levels.
 - Support the spectrum of community engaged research including community-based participatory research and community led research. Additionally, strengthen authentic community engagement in planning, implementing, evaluating, and disseminating effective interventions for diseases disproportionately affecting disadvantaged communities and vulnerable populations.
 - Coordinate the design, dissemination, and utilization of an environmental justice and social vulnerability data dashboard and index, for identifying, tracking, and addressing environmental burden and health inequities in disadvantaged communities.
 - Report research data to communities using culturally appropriate and accessible methods.

V. Education and Training

- Priority Action(s)
 - Provide data, training, and technical assistance to disadvantaged communities and vulnerable populations at higher risk for exposure to harmful environmental and health hazards.
 - Deliver comprehensive training to increase opportunities for individuals from disadvantaged, overburdened, and underserved communities to obtain careers in environmental cleanup, construction, hazardous waste removal, and emergency response.
 - Develop guidance and templates to assist states and tribes in the communication of environmental and health risks to households and communities.
 - Develop environmental justice training programs for Federal staff, primary health care and public

health professionals, and policy and other decision-makers.

VI. Performance Measures (Evaluation)

- Priority Action(s)
 - Develop milestones and provide periodic progress to demonstrate accountability and progress.

HHS is requesting information from the public regarding the following questions:

Environmental Justice Core Principles

1. What *Environmental Justice Core Principles* should be included in the HHS EJ Strategy to advance environmental justice for disadvantaged communities?
2. How should HHS incorporate *Environmental Justice Core Principles* in the HHS EJ Strategy?

Strategic Elements

1. Do the *Strategic Elements* reflect relevant areas of environmental justice that address the needs of disadvantaged communities?
2. Are there additional *Strategic Elements* that should be included in the HHS EJ Strategy?

Priority Actions

1. Do the *Priority Actions* capture the urgent, environmental justice issues of today?
2. If not, what additional *Priority Actions* should be included within the HHS EJ Strategy?

Research and Data Tools

1. What research methods, research questions, and data tools should HHS use to address environmental justice and social determinants of health?

Additional Information

1. What other strategies can be included within the 2022 HHS Environmental Justice Strategy and Implementation Plan to address environmental justice and health equity issues for disadvantaged populations?

HHS encourages all potentially interested parties—individuals, associations, governmental, non-governmental organizations, academic institutions, and private sector entities—to respond. HHS is interested in the questions listed above, but respondents are welcome to address as many or as few as they choose and to address additional areas of interest not listed. To facilitate review of the

responses, please reference the question category and number in your response.

RIN 0917-AA21

Reimbursement Rates for Calendar Year 2022

AGENCY: Indian Health Service, HHS.

ACTION: Notice.

SUMMARY: Notice is provided that the Acting Director of the Indian Health Service (IHS) has approved the rates for inpatient and outpatient medical care provided by the IHS facilities for Calendar Year 2022.

SUPPLEMENTARY INFORMATION: The Acting Director of the Indian Health Service (IHS), under the authority of sections 321(a) and 322(b) of the Public Health Service Act (42 U.S.C. 248 and 249(b)), Public Law 83-568 (42 U.S.C. 2001(a)), and the Indian Health Care Improvement Act (25 U.S.C. 1601 *et seq.*), has approved the following rates for inpatient and outpatient medical care provided by IHS facilities for Calendar Year 2022 for Medicare and Medicaid beneficiaries, beneficiaries of other federal programs, and for recoveries under the Federal Medical Care Recovery Act (42 U.S.C. 2651-2653). The inpatient rates for Medicare Part A are excluded from the table below. That is because Medicare inpatient payments for IHS hospital facilities are made based on the prospective payment system, or (when IHS facilities are designated as Medicare Critical Access Hospitals) on a reasonable cost basis. Since the inpatient per diem rates set forth below do not include all physician services and practitioner services, additional payment shall be available to the extent that those services are provided.
