Abstract: The collections of information related to the drawback process are required as per 19 CFR part 190 (Modernized Drawback), which provides for refunds of duties, taxes, and fees for certain merchandise that is imported into the United States where there is a subsequent related exportation or destruction. All claims for drawback, sometimes referred to as TFTEA-Drawback, must be filed electronically in the Automated Commercial Environment (ACE), in accordance with the Trade Facilitation Trade Enforcement Act of 2015 (TFTEA) (Pub. L. 114–125, 130 Stat. 122), and in compliance with the regulations in part 190, 181 (NAFTA Drawback) and 182 (USMCA Drawback). CBP Form 7553, Notice of Intent to Export, Destroy or Return Merchandise for Purposes of Drawback (NOI), documents both the exportation and destruction of merchandise eligible for drawback. The NOI is the official notification to CBP that an exportation or destruction will occur for drawback eligible merchandise. Overview of This Information Collection

Title: Application to use Automated Commercial Environment (ACE).

OMB Number: 1651–0105.

Form Number: N/A.

Current Actions: Extension with change.

Type of Review: Extension (with change).

Affected Public: Businesses.

Abstract: The Automated Commercial Environment (ACE) is a trade data processing system that replaced the Automated Commercial System (ACS), as the import system for U.S. Customs and Border Protection (CBP) operations. ACE is authorized by Executive Order 13659 which mandates implementation of a Single Window through which businesses will transmit data required by participating agencies for the importation or exportation of cargo. *See* 79 FR 10655 (February 25, 2014). ACE supports government agencies and the trade community with border-related missions with respect to moving goods across the border efficiently and securely. Once ACE is fully implemented, all related CBP trade functions and the trade community will be supported from a single common user interface.

To establish an ACE Portal account, participants submit information such as their name, their employer identification number (EIN) or social security number (SSN), and if applicable, a statement certifying their capability to connect to the internet. This information is submitted through the ACE Secure Data Portal which is accessible at: <http://www.cbp.gov/trade/automated>.

Please Note: A CBP-assigned number may be provided in lieu of your SSN. If you have an EIN, that number will automatically be used and no CBP number will be assigned. A CBP-assigned number is for CBP use only.

There is a standalone capability for electronically filing protests in ACE. This capability is available for participants who have not established ACE Portal Accounts for other trade activities, but desire to file protests electronically. A protest is a procedure whereby a private party may administratively challenge a CBP decision regarding imported merchandise and certain other CBP decisions. Trade members can establish a protest filer account in ACE through a separate application and the

submission of specific data elements. *See* 81 FR 57928 (August 24, 2016).

The previously approved changes for this collection added a new ACE account type for Import Trade Carriers. This enabled users to file vessel entrance, clearance, and related data to CBP electronically through the new Vessel Entrance and Clearance System (VECS). The account application was changed to collect identifying information such as name, employer identification number (EIN), company address, and phone numbers, to be used to set up the Vessel Agency accounts. Users who create a Vessel Agency Account are automatically enrolled into the VECS public pilot. Additionally, unrelated to the Vessel Agency account type creation, CBP removed account types “Cartman” and “Lighterman” from the ACE Account Application. These account types were never used and are being removed due to that lack of use.

New Proposed Changes

Section four of the application entitled “Air Carrier/Rail Carrier/Sea Carrier/Truck Carrier/Driver/Crew” was updated on February 6, 2025, to change the word “gender” to “sex”. The change was made to comply with the Executive Order issued on January 20, 2025: “Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government”.
