

351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On May 31, 2022, the petitioner submitted a timely request that Commerce postpone the preliminary determination.³ The petitioner stated that postponement “is warranted to permit Commerce to develop the record in this investigation,” and that “[a]dditional time will be necessary to ensure that {Commerce} is able to sufficiently review all questionnaire responses, issue supplemental questionnaires as appropriate, and prepare an accurate preliminary determination.”⁴

In accordance with 19 CFR 351.205(e), the petitioner has stated the reasons for requesting a postponement of the preliminary determination, and Commerce finds no compelling reason to deny the request. Therefore, in accordance with section 703(c)(1)(A) of the Act, Commerce is postponing the deadline for the preliminary determination to no later than 130 days after the date on which this investigation was initiated, *i.e.*, August 29, 2022.⁵ Pursuant to section 705(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination of this investigation will continue to be 75 days after the date of the preliminary determination.

This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

⁵ Postponing the preliminary 130 days after initiation would place the deadline on Sunday, August 28, 2022. Commerce’s practice dictates that where a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business day.
