

and perfects the mechanism of a free and open market by removing confusion that may result from having these references in the Fifth Amended NYSE Group Certificate. The Exchange further believes that the proposal removes impediments to and would perfect the mechanism of a free and open market by ensuring that persons subject to the Exchange's jurisdiction, regulators, and the investing public can more easily navigate and understand the Fifth Amended NYSE Group Certificate. The Exchange further believes that eliminating obsolete references would be consistent with the public interest and the protection of investors because investors will not be harmed and in fact would benefit from increased transparency, thereby reducing potential confusion. Removing such obsolete references will also further the goal of transparency and add clarity to the Exchange's rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. The proposed rule change is not intended to address competitive issues but rather is to make non-substantive changes concerned solely with the clarity and transparency of its parent entities' governing documents.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹⁰

A proposed rule change filed under Rule 19b-4(f)(6) of the Act¹¹ normally does not become operative before 30

days from the date of the filing. However, Rule 19b-4(f)(6)(iii)¹² permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative upon filing. The Exchange believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest because the proposed changes are non-substantive and would provide clarity and transparency to its parent entities' governing documents. The Exchange represents that the proposed rule change would have no impact on either the governance or ownership of the Exchange. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because the proposed changes are non-substantive and will provide clarity to the Exchange's rules. Therefore, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Commission, 100 F Street NE., Washington, DC 20549-1090.

SOCIAL SECURITY ADMINISTRATION

[Docket No: SSA-2017-0008]

Agency Information Collection Activities: Proposed Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers. (OMB), Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, Email address: OIRA_Submission@omb.eop.gov, (SSA), Social Security Administration, OLCA, Attn: Reports Clearance Director, 3100 West High Rise, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-966-2830, Email address: OR.Reports.Clearance@ssa.gov. Or you may submit your comments online through www.regulations.gov, referencing Docket ID Number [SSA-2017-0008].

The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. 1. Statement Regarding Marriage—20 CFR 404.726—0960-0017. According to Section 216(h)(1)(A) of the Social Security Act (Act), SSA must apply state law when determining an individual's marital status. Some state laws recognize marriages without a ceremony (*i.e.*, common-law marriages). In such cases, SSA provides the same spouse or widow(er) benefits to the common-law spouses as it does to ceremonially married spouses. To determine common-law spouses, SSA must elicit information from blood relatives or other persons who are knowledgeable about the alleged common-law relationship. SSA uses Form SSA-753, Statement Regarding Marriage, to collect information from third parties to verify the applicant's statements about intent, cohabitation, and holding out to the public as married, which are the basic tenets of a common-law marriage. SSA uses the information to determine if a valid marital relationship exists, and if the common-law spouse is entitled to Social Security spouse or widow(er) benefits. The respondents are third parties who can confirm or deny the alleged common-law marriage.

Type of Request: Revision of an OMB-approved information collection.
