ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OPP-2005-0163; FRL-9348-2]

Aldicarb; Cancellation Order for Amendments To Terminate Uses

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces EPA's order for the amendment to terminate uses, voluntarily requested by the registrant and accepted by the Agency, of products containing aldicarb, pursuant to section 6(f)(1) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended. This cancellation order follows an October 7, 2010 **Federal Register** Notice of Receipt of Request from the registrant, Bayer CropScience to voluntarily amend to terminate uses of the product, TEMIK®

Brand 15G, containing aldicarb on citrus and potatoes effective immediately. The registrant also requested that EPA amend to terminate the remaining pesticide uses of this product on cotton, dry beans, peanuts, soybeans, sugar beets, and sweet potatoes, effective as of December 31, 2014. These are not the last products containing aldicarb registered for use in the United States. In the October 7, 2010 notice, EPA indicated that it would issue an order implementing the amendments to terminate uses, unless the Agency received substantive comments within the 30-day comment period that would merit its further review of these requests, or unless the registrant withdrew their requests. The Agency received comments on the notice but none merited its further review of the requests. Further, the registrant did not withdraw their requests. Accordingly, EPA hereby issues in this notice a cancellation order granting the requested amendments to terminate uses. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stocks provisions.

DATES: The amendments are effective May 9, 2012.
