SUPPLEMENTARY INFORMATION:

A. Background

This final rule amends the DFARS to address procedures for preparation of the written determination required by FAR 7.503(e), that none of the functions to be performed by contract are inherently governmental. The rule requires DoD personnel to prepare the determination using DoD Instruction 1100.22, Guidance for Determining Workforce Mix, and to also include a determination that none of the functions to be performed are exempt from private sector performance, as addressed in DoD Instruction 1100.22.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

This rule will not have a significant cost or administrative impact on

contractors or offerors, or a significant effect beyond the internal operating procedures of DoD. Therefore, publication for public comment under 41 U.S.C. 418b is not required. However, DoD will consider comments from small entities concerning the affected DFARS subparts in accordance with 5 U.S.C. 610. Such comments should cite DFARS Case 2007–D019.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply, because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
