## II. Legal Basis

FMCSA has authority under 49 U.S.C. 31136(e) and 31315(b) to grant exemptions from certain Federal Motor Carrier Safety Regulations. FMCSA must publish a notice of each exemption request in the **Federal Register** (49 CFR 381.315(a)). The Agency must provide the public an opportunity to inspect the information relevant to the application, including any safety analyses that have been conducted. The Agency must also provide an opportunity for public comment on the request.

The Agency reviews safety analyses and public comments submitted and determines whether granting the exemption would likely achieve a level of safety equivalent to, or greater than, the level that would be achieved by the current regulation (49 CFR 381.305). The decision of the Agency must be published in the **Federal Register** (49 CFR 381.315(b)) with the reasons for denying or granting the application and, if granted, the name of the person or class of persons receiving the exemption, and the regulatory provision from which the exemption is granted. The notice must also specify the effective period (up to 5 years) and explain the terms and conditions of the exemption. The exemption may be renewed (49 CFR 381.300(b)).

### III. Applicant's Request

Leland Schmitt, Jr. requests a five-year exemption from 49 CFR 395.3(a)(1) (the 10 consecutive hour off duty time requirement), section 395.3(a)(2) (the 14 hour "driving window"), section 395.3(a)(3)(ii) (the 30-minute break requirement), and sections 395.3(b)(1) and (2) (respectively, the 60 hours-in-7-days and the 70 hours-in-8-days limits). The applicant is an owner-operator currently leased to D & E Transport in Clearwater, Minnesota, who has been operating commercial motor vehicles (CMVs) for 30 years, and the requested exemption is solely for the applicant. The applicant states that the mandatory 10 hour off-duty break goes against his natural sleep patterns, as his normal nighttime sleep while in the CMV is between 5 to 7 hours.

A copy of Mr. Schmitt's application for exemption is included in the docket for this notice.

### IV. Request for Comments

In accordance with 49 U.S.C. 31315(b), FMCSA requests public comment from all interested persons on Leland Schmitt, Jr.'s application for an exemption from various provisions in the Federal HOS regulations in 49 CFR part 395. All comments received before the close of business on the comment closing date indicated at the beginning of this notice will be considered and will be available for examination in the docket at the location listed under the Addresses section of this notice. Comments received after the comment closing date will be filed in the public docket and will be considered to the extent practicable. In addition to late comments, FMCSA will continue to file, in the public docket, relevant information that becomes available after the comment closing date. Interested persons should continue to examine the public docket for new material.
