

will calculate an importer-specific ad valorem duty assessment rate based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total customs value of the sales used to calculate those duties. This rate will be assessed uniformly on all entries of that particular importer made during the POR.

Furthermore, the following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of these administrative reviews, as provided by section 751(a)(1) of the Act: (1) For the Viraj Group, a deposit equal to the above margin will be required; (2) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (3) the cash deposit rate for all other manufacturers or exporters will continue to be 48.80 percent, the "All Others" rate made effective by the original investigation.

These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: December 31, 2001.

Susan H. Kuhbach,

Acting Assistant Secretary for Import Administration.

SUPPLEMENTARY INFORMATION: The subject amendment to Permit No. 555-1565, issued on September 29, 2000 (65 FR 60411) is requested under the authority of the Marine Mammal Protection Act of 1972, as amended (16 U.S.C. 1361 *et seq.*), and the Regulations Governing the Taking and Importing of Marine Mammals (50 CFR part 216).

Permit No. 555-1565 authorizes the permit holder to study the distribution, ecological role, health, and behavior of harbor seals (*Phoca vitulina*) along the west coast of North America via capture, tagging, marking, and biological

sampling, and performing vocalization playback experiments. The Permit also authorizes research on harbor seals in rehabilitation, including captive feeding studies to quantify biases associated with using fecal samples for diet analysis, and surgical implantation of radio tags to determine the efficacy of using such tags for application to the wild population for monitoring animal movements. The permit holder requests authorization to collect from the wild up to 8 harbor seals per year for use in the captive feeding studies and release them back to the wild after approximately 6 months in captivity; conduct feeding experiments on 10 California sea lions (*Zalophus californianus*) undergoing rehabilitation; and harass up to 2000 California sea lions per year at haul-out sites throughout central California for scat collection.

Authority: Section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854); Executive Order 11651 of March 3, 1972, as amended.

The Memorandum of Understanding of December 29, 2001, between the Governments of the United States and Cambodia amends and extends the bilateral textile agreement of January 20, 1999 to cover the period January 1, 2002 through December 31, 2004.

The limits under this agreement may be revised if Cambodia becomes a member of the World Trade Organization (WTO) and the United States applies the WTO agreement to Cambodia.

In the letter published below, the Chairman of CITA directs the Commissioner of Customs to establish the 2002 limits, which include a nine percent (9%) increase to all of Cambodia's quotas under the Labor Standards provision described in **Federal Register** notice 64 FR 60428, published on November 5, 1999).

A description of the textile and apparel categories in terms of HTS numbers is available in the CORRELATION: Textile and Apparel Categories with the Harmonized Tariff Schedule of the United States (see **Federal Register** notice 66 FR 65178, published on December 18, 2001).

D. Michael Hutchinson,

Acting Chairman, Committee for the Implementation of Textile Agreements.

Committee for the Implementation of Textile Agreements

January 3, 2002.

Commissioner of Customs,
Department of the Treasury, Washington, DC 20229.

Dear Commissioner: Pursuant to section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854); Executive Order 11651 of March 3, 1972, as amended; and the Memorandum of Understanding, dated December 29, 2001, between the Governments of the United States and Cambodia, you are directed to prohibit, effective on January 8, 2002, entry into the United States for consumption and withdrawal from warehouse for consumption of cotton, wool and man-made fiber textile products in the following categories, produced or manufactured in Cambodia and

exported during the twelve-month period beginning on January 1, 2002 and extending through December 31, 2002, in excess of the following levels of restraint:

Category	Twelve-month restraint limit
331/631	2,012,222 dozen pairs.
334/634	220,696 dozen.
335/635	84,383 dozen.
338/339	3,472,705 dozen.
340/640	973,656 dozen.
345	122,031 dozen.
347/348/647/648	3,894,622 dozen.
352/652	778,925 dozen.
435	21,037 dozen.
438	101,072 dozen.
445/446	123,533 dozen.
638/639	1,168,386 dozen.
645/646	324,552 dozen.

This directive cancels and supercedes the counting letter of December 26, 2001. The limits set forth above are subject to adjustment pursuant to the provisions of the Memorandum of Understanding of December 29, 2001 between the Governments of the United States and Cambodia.

Products in the above categories exported during 2001 shall be charged to the applicable category limits for that year (see directive dated January 8, 2001) to the extent of any unfilled balances. In the event the limits established for that period have been exhausted by previous entries, such products shall be charged to the limits set forth in this directive.

These limits may be revised if Cambodia becomes a member of the World Trade Organization (WTO) and the United States applies the WTO agreement to Cambodia.

Moreover, these limits may be revised in light of the U.S. determination as to whether working conditions in the Cambodian textile and apparel sector substantially comply with Cambodian labor law and internationally recognized core labor standards (see **Federal Register** notice 64 FR 60428, published on November 5, 1999).

In carrying out the above directions, the Commissioner of Customs should construe entry into the United States for consumption to include entry for consumption into the Commonwealth of Puerto Rico.

The Committee for the Implementation of Textile Agreements has determined that these actions fall within the foreign affairs exception of the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,

D. Michael Hutchinson

Acting Chairman, Committee for the Implementation of Textile Agreements.
