Confidential Business Information: Confidential Business Information (CBI)

is commercial or financial information that is both customarily and actually treated as private by its owner. Under the Freedom of Information Act (FOIA) (5 U.S.C. 552), CBI is exempt from public disclosure. If your comments responsive to this notice contain commercial or financial information that is customarily treated as private, that you actually treat as private, and that is relevant or responsive to this notice, it is important that you clearly designate the submitted comments as CBI. Pursuant to 49 Code of Federal Regulations (CFR) 190.343, you may ask PHMSA to give confidential treatment to information you give to the agency by taking the following steps: (1) mark each page of the original document submission containing CBI as "Confidential"; (2) send PHMSA, along with the original document, a second copy of the original document with the CBI deleted; and (3) explain why the information you are submitting is CBI. Unless you are notified otherwise, PHMSA will treat such marked submissions as confidential under the FOIA, and they will not be placed in the public docket of this notice. Submissions containing CBI should be sent to Kay McIver, DOT, PHMSA-PHP-80, 1200 New Jersey Avenue SE,

Washington, DC 20590-0001. Any commentary PHMSA receives that is not specifically designated as CBI will be placed in the public docket for this matter.

FOR FURTHER INFORMATION CONTACT:

General: Ms. Kay McIver by telephone at 202-366-0113, or by email at kay.mciver@dot.gov.

Technical: Mr. Steve Nanney by telephone at 713-272-2855, or by email at steve.nanney@dot.gov.

SUPPLEMENTARY INFORMATION: PHMSA received a special permit request from FGT on March 27, 2023, seeking a waiver from the requirements of 49 CFR 192.611(a) and (d): Change in class location: Confirmation or revision of maximum allowable operating pressure and 49 CFR 192.619(a): Maximum allowable operating pressure: Steel or plastic pipelines.

This special permit is being requested in lieu of pipe replacement, pressure reduction, or new pressure tests for Class 1 to 3 location changes on five (5) gas transmission special permit segments totaling 9,824 feet (approximately 1.861 miles). The pipeline segments are as follows:

Special permit segment No.	Outside diameter (inches)	Length (feet)	County, state	Year installed	MAOP (psig)	Pressure test
189579	26	60	Orange, FL	1968	974	1,346
202967	30	159	Osceola, FL	1995	975	1,305
187434	30	4,869	Osceola, FL	1995	975	1,305
187440	30	285	Osceola, FL	1995	975	1,305
202974	30	4,451	Osceola, FL	1995	975	1,305

Note: DSAW is double submerged arc welded longitudinal seam pipe.

The special permit request, proposed special permit with conditions, and draft environmental assessment (DEA) for the above listed FGT pipeline segments are available for review and public comments in Docket Number PHMSA-2023-0020. PHMSA invites interested persons to review and submit comments on the special permit request and DEA in the docket. Please submit comments on any potential safety, environmental, and other relevant considerations implicated by the special permit request. Comments may include relevant data.

Before issuing a decision on the special permit request, PHMSA will evaluate all comments received on or before the comments closing date. Comments received after the closing date will be evaluated, if it is possible to do so without incurring additional expense or delay. PHMSA will consider

each relevant comment it receives in making its decision to grant or deny this special permit request.

Issued in Washington, DC, under authority delegated in 49 CFR 1.97.

Alan K. Mayberry,

Associate Administrator for Pipeline Safety.

• **Privacy Act:** DOT may solicit comments from the public regarding certain general notices. DOT posts these comments, without edit, including any personal information the commenter provides, to www.regulations.gov, as described in the system of records notice (DOT/ALL–14 FDMS), which can be reviewed at www.dot.gov/privacy.

• **Docket:** For access to the docket to read background documents or comments received, go to <https://www.regulations.gov>. Follow the online instructions for accessing the dockets. Alternatively, you may review the documents in person at the street address listed above.

FOR FURTHER INFORMATION CONTACT: Max Kieba, Director, Program Development, by phone at 202–420–9169 or via email at max.kieba@dot.gov.

SUPPLEMENTARY INFORMATION: The public meeting will serve as an opportunity for pipeline stakeholders to help inform pipeline safety-related rulemaking decisions and share information surrounding CO₂ pipeline safety. Key stakeholders include the public, states, tribal governments, other federal agencies, industry, and international regulators and/or organizations. Key topics are expected to include:

- Safety expectations for pipeline operators.
- General state of CO₂ pipeline infrastructure—current mileage and forecasts.
- Federal and state jurisdictions and authorities.
- Public awareness, engagement, and emergency notification.
- Emergency equipment, training, and response.
- Dispersion modeling.
- Safety measures to address other constituents besides CO₂ in CO₂ pipelines.
- Leak detection and reporting.
- Geohazards.
- Conversion to service.
- Environmental justice.

Anticipated speakers/participants are expected to include:

- Public advocacy groups.
- Pipeline operators.
- Federal regulators.
- Tribal governments.
- States through the National Association of Pipeline Safety Representatives (NAPSR).
- Other U.S. government agencies.
- International governments or other international organizations.
- Others from academia, emergency response community and industry.

The mission of PHMSA is to protect people and the environment by advancing the safe transportation of energy products and other hazardous materials that are essential to our daily lives. This meeting is a follow-up to PHMSA’s May 2022 press release announcing new safety measures to protect Americans from carbon dioxide pipeline failures after the Satartia, Mississippi, incident (<https://www.phmsa.dot.gov/news/phmsa-announces-new-safety-measures-protect-americans-carbon-dioxide-pipeline-failures>), and the December 2022 public meeting that discussed several topics, including some aspects of calculating potential impact radii for CO₂ pipeline releases. PHMSA also received a letter from the Pipeline Safety Trust on February 17, 2023 (Docket No. PHMSA–2022–0125), formally requesting that PHMSA hold a public meeting on CO₂ pipeline safety and the announced rulemaking under RIN 2137–AF60.

Public Participation: The meeting and forum will be open to the public. Members of the public who wish to attend must register on the meeting website, including their names and organization affiliation. PHMSA is committed to providing all participants with equal access to these meetings. If you need disability accommodations, please contact Janice Morgan by email at janice.morgan@dot.gov.

PHMSA is not always able to publish a notice in the **Federal Register** quickly enough to provide timely notification of last-minute changes that impact scheduled meetings. Therefore, individuals should check the meeting website listed in the **ADDRESSES** section of this notice or contact Janice Morgan by phone at 202–815–4705 or via email at janice.morgan@dot.gov regarding any possible changes.

PHMSA invites public participation and public comment on the topics addressed in this public meeting and forum. Please review the **ADDRESSES** section of this notice for information on how to submit written comments.

Agenda Summary: This CO₂ Safety Public Meeting is to help inform pipeline safety-related rulemaking

decisions and provide a venue for information exchange among key stakeholders including the public, states, tribal governments, other federal agencies, industry, and international colleagues.

Issued in Washington, DC, on April 17, 2023, under authority delegated in 49 CFR 1.97.

Massoud Tahamtani,

Deputy Associate Administrator for Pipeline Policy and Programs.

SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501 *et seq.*), Federal agencies must obtain approval from OMB for each collection of information that they conduct or sponsor. “Collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include agency requests or requirements that members of the public

submit reports, keep records, or provide information to a third party. The OCC asks the OMB to extend its approval of the collection in this notice.

Title: Securities Offering Disclosure Rules.

OMB Control No.: 1557-0120.

Type of Review: Regular.

Frequency of Response: On occasion.

Affected Public: Businesses or other for-profit.

Estimated Number of Respondents: 16.

Estimated Number of Responses: 32.

Total Annual Burden: 544 hours.

Abstract: Twelve CFR part 16 governs the offer and sale of securities by national banks and Federal savings associations. The requirements in part 16 enable the OCC to perform its responsibility to ensure that the investing public has information about the condition of the institution, the reasons for raising new capital, and the terms of the offering. Part 16 requires that securities offering disclosures of national banks and Federal savings associations be generally consistent with similar Securities and Exchange Commission (SEC) disclosure requirements.

The principal collections of information in part 16 are as follows:

Section 16.3 Registration Statement and Prospectus Requirements

A registration statement and a prospectus for a security must be filed with the OCC. Securities of a national bank or Federal savings association may be offered through the use of a preliminary prospectus before a registration statement and prospectus if, among other things, a registration statement including preliminary prospectus has been filed with the OCC; the preliminary prospectus includes the information required by 12 CFR 16.15 with certain exceptions; a copy of the preliminary prospectus is furnished to each purchaser prior to or simultaneously with the sale of the security; and the delivery of a prospectus by dealers is subject to SEC rule 174 (17 CFR 230.174) setting forth certain exemptions that apply to transactions by dealers in national bank and Federal savings association issued securities.

Section 16.6 Sales of Non-Convertible Debt

Non-convertible debt, if issued in certificate form, must be legended to provide that it cannot be exchanged for notes or debentures of the national bank or Federal savings association in denominations smaller than \$250,000. Prior to or simultaneously with the sale
