AGENCY: Community Relations Service, Department of Justice.
ACTION: 30-Day notice.

SUMMARY: The Community Relations Service (CRS), Department of Justice (DOJ), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995.
DATES: Comments are encouraged and will be accepted for 30 days until November 22, 2024.

SUPPLEMENTARY INFORMATION: The proposed information collection was previously published in the **Federal Register** on August 19, 2024, 89 FR 67106, allowing a 60-day comment period. Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. - Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Abstract: Over the next three years, CRS and its evaluation contractor, Mathematica, anticipate collecting participant feedback for assessing ongoing programs across several areas within community outreach. The purpose of these collections is to gather feedback from participants who attended CRS programs and to use that information to assess participant satisfaction and implementation of the programs. The work may entail redesigning and/or modifying existing

programs based upon received feedback. CRS envisions using surveys via both electronic data collection and paper instruments.
