SUPPLEMENTARY INFORMATION: In the August 8, 2019, issue of the **Federal Register** (84 FR 38893), the Corps published a proposed rule for establishing a permanent restricted area in the Washington Channel adjacent to Fort McNair. Fort McNair is the headquarters of the Army's Military District of Washington and home of the National Defense University as well as the official residence of the U.S. Army's Vice Chief of Staff. Fort McNair requested the restricted area to fulfill Joint Base Myer-Henderson Hall (JBM-HH) security needs including HMX missions and security needs at Fort McNair including protection of VIP quarters. The restricted area is also needed to protect public health by preventing vessels from disturbing a planned environmental remediation area located near Fort McNair.

We have received requests for an extension of the comment period for the proposed rule. The Corps finds a longer comment period is warranted. Therefore, the comment period for this proposed rule is reopened until November 5, 2019.

Dated: September 6, 2019.

Thomas P. Smith,

Chief, Operations and Regulatory Division, Directorate of Civil Works.
