In the *Declaratory Ruling*, the Commission clarified that one-line captioned telephone voice carry over (VCO) service is a type of telecommunications relay service (TRS) and that eligible providers of such services are eligible to recover their costs in accordance with section 225 of the Communications Act. The Commission also clarified that certain TRS mandatory minimum standards does not apply to one-line captioned VCO service, and waived 47 CFR 64.604(a)(1) and (a)(3) of the Commission's rules for all current and future captioned telephone VCO service providers, for the same period of time beginning August 1, 2003. The waivers were contingent on the filing of annual reports, for a period of three years, with the Commission. Sections 64.604 (a)(1) and (a)(3) of the Commission's rules, which contained information collection requirements under the PRA became effective on March 26, 2004.

On July 19, 2005, the Commission released a subsequent *Order*, In the Matter of Telecommunication Relay Services and Speech-to-Speech Services for Individuals with Hearing and Speech Disabilities, CC 98–67 and CG Docket No. 03–123, FCC 05–141, that clarified two-line captioned telephone VCO service, like one-line captioned telephone VCO service, is a type of TRS eligible for compensation from the Interstate TRS Fund. Also, the Commission clarified that certain TRS mandatory minimum standards do not apply to two-line captioned VCO service, and waived 47 CFR 64.604(a)(1) and (a)(3) of the Commission's rules, for providers who offer two-line captioned VCO service. This clarification increased the number of providers who will be providing one-line and two-line captioned VCO services.

Needs and Uses: When a permit is subject to tolling construction is encumbered due to an act of God, or when a construction permit is the subject of administrative or judicial review, 47 CFR Section 73.3598(c) requires a permittee to notify the Commission as promptly as possible and, in any event, within 30 days, and to provide supporting documentation. All notifications must also be filed in the station's local public file. On March 17, 2005, the Commission released a Second Order on Reconsideration and Further Notice of Proposed Rulemaking, In the Matter of the Creation of a Low Power Radio Service, MM Docket NO. 99.25, FCC 05–75.
