### Food and Drug Administration

[Docket No. FDA-2014-N-0563]

#### Odalys Fernandez: Debarment Order

**AGENCY:** Food and Drug Administration, HHS.

**ACTION:** Notice.

**SUMMARY:** The U.S. Food and Drug Administration (FDA or Agency) is issuing an order under the Federal Food, Drug, and Cosmetic Act (the FD&C Act) debaring Odalys Fernandez from providing services in any capacity to a person that has an approved or pending drug product application for a period of 6 years. FDA bases this order on a finding that Ms. Fernandez was convicted of five felony counts under Federal law for conduct involving health care fraud, and one count of conspiracy to commit health care fraud, and that this pattern of conduct is sufficient to find that there is reason to

believe she may violate requirements under the FD&C Act relating to drug products. Ms. Fernandez was given notice of the proposed debarment and an opportunity to request a hearing within the timeframe prescribed by regulation. Ms. Fernandez failed to request a hearing. Ms. Fernandez's failure to request a hearing constitutes a waiver of her right to a hearing concerning this action.

**DATES:** This order is effective March 31, 2015.

**ADDRESSES:** Submit applications for termination of debarment to the Division of Dockets Management (HFA-305), Food and Drug Administration, 5630 Fishers Lane, Rm. 1061, Rockville, MD 20852.

#### SUPPLEMENTARY INFORMATION:

##### I. Background

Section 306(b)(2)(B)(ii)(I) of the FD&C Act (21 U.S.C. 335a(b)(2)(B)(ii)(I)) permits debarment of an individual if FDA finds that the individual has been convicted of a felony under Federal law for conduct which involves bribery, payment of illegal gratuities, fraud, perjury, false statement, racketeering, blackmail, extortion, falsification or destruction of records, or interference with, obstruction of an investigation into, or prosecution of any criminal offense, and FDA finds, on the basis of the conviction and other information, that such individual has demonstrated a pattern of conduct sufficient to find that there is reason to believe the individual may violate requirements under the FD&C Act relating to drug products.

On November 9, 2012, the U.S. District Court for the Southern District of Florida entered judgment against Ms. Fernandez after a jury found her guilty of five counts of health care fraud in violation of 18 U.S.C. 1347, and one count of conspiracy to commit health care fraud in violation of 18 U.S.C. 1349.

FDA's finding that debarment is appropriate is based on the felony convictions referenced herein. The factual basis for these convictions is as follows: Ms. Fernandez was a registered nurse working for Ideal Home Health Inc. (Ideal), which was a business in Miami-Dade County, FL. Ideal purportedly provided skilled nursing services to Medicare beneficiaries who required home health services. As a
