SUPPLEMENTARY INFORMATION:

Additions

On January 26, 2024, the Committee for Purchase From People Who Are Blind or Severely Disabled (operating as the U.S. AbilityOne Commission) published an initial notice of proposed additions to the Procurement List. (89 FR 5214). The Committee determined that the service listed below is suitable for procurement by the Federal Government and has added this service to the Procurement List as a mandatory purchase for the contracting activity listed. In accordance with 41 CFR 51-5.3(b), the mandatory purchase requirement is limited to the contracting activity at the location listed, and in accordance with 41 CFR 51-5.2, the Committee has authorized the nonprofit agency listed as the authorized source of supply.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the service(s) and impact of the additions on the current or most recent contractors, the Committee has determined that the service(s) listed below are suitable for procurement by the Federal Government under 41 U.S.C. 8501-8506 and 41 CFR 51-2.4.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a

substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the service(s) to the Government.

2. The action will result in authorizing small entities to furnish the service(s) to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501-8506) in connection with the service(s) proposed for addition to the Procurement List.

End of Certification

Accordingly, the following product(s) and service(s) are added to the Procurement List:

Service(s)

Service Type: Logistics Support Service, Supply Chain Management

Mandatory for: US Navy, Naval Sea Systems Command, Southwest Regional Maintenance Center, Naval Base San Diego, San Diego, CA

Authorized Source of Supply: Professional Contract Services, Inc., Austin, TX

Contracting Activity: DEPT OF THE NAVY, SOUTHWEST REGIONAL MAINT CENTER

The Committee finds good cause to dispense with the 30-day delay in the effective date normally required by the Administrative Procedure Act. See 5 U.S.C. 553(d). This addition to the Committee's Procurement List is effectuated because of the expiration of the Department of the Navy, Logistics Support Service, US Navy, SWRMC, San Diego, CA contract. The Federal customer contacted and has worked diligently with the AbilityOne Program to fulfill this service need under the AbilityOne Program. To avoid performance disruption, and the possibility that the Department of the Navy will refer its business elsewhere, this addition must be effective on November 20, 2024, ensuring timely execution for a November 22, 2024 start date. The Committee published an initial notice of proposed Procurement List addition in the **Federal Register** on September 13, 2024 (89 FR 74928) but did not receive any comments.

This addition will not create a public hardship and has limited effect on the public at large. Rather, this addition will create new jobs for other affected parties—people with significant disabilities in the AbilityOne program who otherwise face challenges locating employment. Moreover, this addition enables the Federal customer to continue operations without interruption.

Deletions

On September 27, 2024 (89 FR 79259), the Committee for Purchase From People Who Are Blind or Severely Disabled published notice of proposed

deletions from the Procurement List. This notice is published pursuant to 41 U.S.C. 8503(a)(2) and 41 CFR 51-2.3.

After consideration of the relevant matter presented, the Committee has determined that the product(s) and service(s) listed below are no longer suitable for procurement by the Federal Government under 41 U.S.C. 8501-8506 and 41 CFR 51-2.4.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in additional reporting, recordkeeping or other compliance requirements for small entities.

2. The action may result in authorizing small entities to furnish the product(s) and service(s) to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501-8506) in connection with the product(s) and service(s) deleted from the Procurement List.
