

the expiration of the period; and delay in transfer of the appellate record to the Board which precluded timely action with respect to these matters. Such motions must be in writing and must include the name of the veteran; the name of the claimant or appellant if other than the veteran (e.g., a veteran's survivor, a guardian, or a fiduciary appointed to receive VA benefits on an individual's behalf); the applicable Department of Veterans Affairs file number; and an explanation of why the request for a change in representation, the request for a personal hearing, or the submission of additional evidence could not be accomplished in a timely manner. Such motions must be filed at the following address: Director, Administrative Service (014), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. Depending upon the ruling on the motion, action will be taken as follows:

(i) *Good cause not shown.* If good cause is not shown, the request for a change in representation, the request for a personal hearing, or the additional evidence submitted will be referred to the agency of original jurisdiction upon completion of the Board's action on the pending appeal without action by the Board concerning the request or additional evidence. Any personal hearing granted as a result of a request so referred or any additional evidence so referred may be treated by that agency as the basis for a reopened claim, if appropriate. If the Board denied a benefit sought in the pending appeal and any evidence so referred which was received prior to the date of the Board's decision, or testimony presented at a hearing resulting from a request for a hearing so referred, together with the evidence already of record, is subsequently found to be the basis of an allowance of that benefit, the effective date of the award will be the same as if the benefit had been granted by the Board as a result of the appeal which was pending at the time that the hearing request or additional evidence was received.

(ii) *Good cause shown.* If good cause is shown, the request for a change in representation or for a personal hearing will be honored. Any pertinent evidence submitted by the appellant or representative will be accepted, subject to the requirements of paragraph (c) of this section if a simultaneously contested claim is involved.

(2) *If the Board obtains evidence or considers law not considered by the agency of original jurisdiction.* The motion described in paragraph (b)(1) of this section is not required to submit evidence in response to the notice

described in paragraph (b) or (c) of Rule 903 (paragraph (b) or (c) of § 20.903 of this part).

Approval and Promulgation of Maintenance Plan Revisions; Michigan

AGENCY: Environmental Protection Agency.

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) is proposing to approve a March 22, 2001, request from Michigan for a State Implementation Plan (SIP) revision of the Muskegon County, Michigan ozone maintenance plan. The maintenance plan revision allocates a portion of the safety margin to the transportation conformity Mobile Vehicle Emissions Budget (MVEB) for the year 2010. EPA is approving the allocation of 2.14 tons per day of Volatile Organic Compounds (VOC) and 3.27 tons/day of Oxides of Nitrogen (NO_x) to the area's 2010 MVEB. This allocation will still maintain the total emissions for the area below the attainment level required by the transportation conformity regulations. In the Final Rules section of this **Federal Register**, EPA is approving the State's SIP revision, as a direct final rule without prior proposal, because the Agency views this as a noncontroversial revision and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If we receive no adverse comments in response to that direct final rule we
