Public Hearing and Public Comment Period on Termination of Federal Enforcement for Parts of the Missouri Permanent Regulatory Program

AGENCY: Office of Surface Mining Reclamation and Enforcement, Interior.

ACTION: Proposed rule; notice of public comment period and public hearing.

SUMMARY: We, the Office of Surface Mining Reclamation and Enforcement (OSM), announced our decision to substitute Federal enforcement for parts of the Missouri permanent regulatory program (Missouri program) on August 22, 2003 (68 FR 50944). We are announcing today that the Governor of Missouri petitioned us to consider returning to Missouri the authority to enforce those parts of the Missouri program for which we substituted Federal enforcement. The Missouri Department of Natural Resources, Air and Land Protection Division, Land Reclamation Program (MLRP) is the regulatory authority responsible for implementing and enforcing the Missouri program. If we approve Missouri's petition, we will terminate Federal enforcement for those parts of the Missouri program for which we substituted Federal enforcement and return full enforcement authority to the MLRP.

Public Hearing: We will hold a public hearing on the proposed rule on September 22, 2005, at 2 p.m., c.d.t.
