Therefore, Commerce has not made any changes to the scope of this investigation since the *Preliminary Determination*.

**Scope of the Investigation**

The product covered by this investigation is polyester textured yarn from Vietnam. For a complete description of the scope of this investigation, see Appendix I.

**Verification**

Commerce was unable to conduct on-site verification of the information relied upon in making its final determination in this investigation. However, we took additional steps in lieu of an on-site verification to verify the information relied upon in making this final determination, in accordance with section 782(i) of the Tariff Act of 1930, as amended (the Act).<sup>5</sup>

**Analysis of Comments Received**

All issues raised in the case and rebuttal briefs by parties in this investigation are discussed in the Issues and Decision Memorandum. A list of the issues raised in the Issues and Decision Memorandum is attached to this notice as Appendix II.

determining the rate for the Vietnam-wide entity pursuant to sections 776(a)(1) and (2)(A)-(C) of the Act.<sup>6</sup> Further, use of adverse facts available is warranted with respect to the Vietnam-wide entity because the Vietnam-wide entity did not cooperate to the best of its ability to comply with our requests for information and, accordingly, we applied adverse inferences in selecting from the facts available, pursuant to section 776(b) of the Act and 19 CFR 351.308(a).

**Changes From the Preliminary Determination**

Based on our analysis of the comments received, we made certain changes to the dumping margin calculations for the Century Single Entity and the Vietnam-wide entity.<sup>7</sup>

**Combination Rate**

Consistent with the *Preliminary Determination*<sup>8</sup> and Policy Bulletin 05.1,<sup>9</sup> Commerce calculated a combination rate for the Century Single Entity, the sole respondent eligible for a separate rate in this investigation.

**Final Determination**

Commerce determines that the following estimated weighted-average dumping margins exist:

Exporter	Producer	Estimated weighted-average dumping margin (percent)
Century Single Entity.	Century Single Entity.	2.58
Vietnam-Wide Entity.	.....	22.36

**Disclosure**

Commerce intends to disclose its calculations and analysis performed to interested parties in this final determination within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

## Continuation of Suspension of Liquidation

In accordance with section 735(c)(1)(B) of the Act, Commerce will instruct U.S. Customs and Border Protection (CBP) to continue to suspend liquidation of all entries of polyester textured yarn from Vietnam, as described in Appendix I of this notice, which were entered or withdrawn from warehouse for consumption on or after June 3, 2021, the date of publication of the *Preliminary Determination* of this investigation in the **Federal Register**.

Pursuant to section 735(c)(1)(B)(ii) of the Act, upon the publication of this notice, Commerce will instruct CBP to require a cash deposit equal to the weighted-average amount by which the normal value exceeds U.S. price as follows: (1) The cash deposit rate for the exporter/producer combination listed in the table above will be the rate identified in the table; (2) for all combinations of Vietnamese exporters/producers of subject merchandise that have not received their own separate rate above, the cash-deposit rate will be the cash deposit rate established for the Vietnam-wide entity; and (3) for all non-Vietnamese exporters of subject merchandise which have not received their own separate rate above, the cash-deposit rate will be the cash deposit rate applicable to the Vietnamese exporter/producer combination (or the Vietnam-wide entity) that supplied that non-Vietnamese exporter. These suspension of liquidation instructions will remain in effect until further notice.

## International Trade Commission Notification

In accordance with section 735(d) of the Act, we will notify the International Trade Commission (ITC) of our final affirmative determination of sales at less than fair value. Because the final determination in this investigation is affirmative, in accordance with section 735(b)(2) of the Act, the ITC will make its final determination as to whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports of subject merchandise from Vietnam no later than 45 days after our final determination. If the ITC determines that such injury does not exist, this proceeding will be terminated and all cash deposits posted will be refunded. If the ITC determines that such injury does exist, Commerce will issue an antidumping duty order directing CBP to assess, upon further instruction by Commerce, antidumping duties on all imports of the subject merchandise entered, or withdrawn from warehouse,

for consumption on or after the effective date of the suspension of liquidation.
