On February 1, 2006, the Department published in the **Federal Register** a notice of initiation of administrative review of the antidumping duty order on certain cased pencils from the People's Republic of China, covering the period December 1, 2004, through November 30, 2005. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 71 FR 5241 (February 1, 2006). The preliminary results for this administrative review are currently due no later than September 5, 2006.¹

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department of Commerce ("Department") to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

Extension of Time Limits for Preliminary Results

The Department requires additional time to review and analyze the sales and cost information submitted by the respondent in this administrative

review. Moreover, the Department requires additional time to analyze complex issues related to surrogate value selections. Thus, it is not practicable to complete this review within the original time limit (*i.e.*, 245 days). Therefore, the Department is partially extending the time limit for completion of the preliminary results by 90 days to 335 days, in accordance with section 751(a)(3)(A) of the Act. The preliminary results are now due no later than December 1, 2006. The final results continue to be due 120 days after publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.
