SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-53749; File No. SR-Amex-2006-34]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing of Proposed Rule Change Relating to Minor Rule Violations and the Bunching of Odd-Lot Orders

May 2, 2006.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 12, 2006, the American Stock Exchange LLC

("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Amex Rule 590 to permit violations of the rule governing the bunching of odd-lot orders (Amex Rule 208) to be sanctioned under the Exchange's existing Minor Rule Violation Plan ("Plan"). The text of the proposed rule change is available on Amex's Web site at <http://www.amex.com>, at the principal office of Amex, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Amex included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it had received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Amex has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange has had a Plan since 1976 that provides a simplified procedure for the resolution of minor rule violations. Codified in Amex Rule 590, the Plan has three distinct sections: (1) Part 1 ("General Rule Violations"), which covers substantive matters that, nonetheless, are deemed "minor" by Amex; (2) Part 2 ("Floor Decorum"), which covers floor decorum and operational matters; and (3) Part 3 ("Reporting Violations"), which covers the late submission of routine reports.

Amex Rule 208, which governs the bunching of odd-lot orders, requires members to: (1) Obtain the prior approval of all interested customers before combining the orders given by several customers to buy or sell odd lots of the same stock into a round lot order; and (2) reject odd-lot orders that aggregate one or more round lots from

a person trading for his own account, or accounts in which he has an interest or exercises discretion, unless the odd lots are consolidated into round lots.

The Exchange proposes that violations of Amex Rule 208 be incorporated into Part 1 of the Plan. Under the Plan, an individual (either a member, approved person, or employee of a member or member organization) may be fined \$500, and a member organization \$1,000, for a first offense. For second offenses and subsequent offenses within a rolling 24-month period from the date of the first violation, individuals may be fined \$1,000 and \$2,500 respectively, and member organizations may be fined \$2,500 and \$5,000, respectively. No fines greater than \$5,000 may be imposed under Amex Rule 590.

The Exchange believes that inclusion of Amex Rule 208 within Part 1 of Amex Rule 590 would enable prompt resolution of violations of the odd-lot bunching rule that do not rise to the level of a formal enforcement action but warrant more significant action than issuance of a Letter of Caution.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with Section 6(b) of the Act,³ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁴ in particular, in that it is designed to promote just and equitable principles of trade; to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities; to remove impediments to and perfect the mechanism of a free and open market and a national market system; and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change would impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding, or (ii) as to which Amex consents, the Commission will:

(A) By order approve such proposed rule change; or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-53751]

Self-Regulatory Organizations; National Association of Securities Dealers, Inc.; Declaration of Effectiveness of the Fingerprint Plan of the National Association of Securities Dealers, Inc.

May 2, 2006.

On May 1, 2006, the National Association of Securities Dealers, Inc. ("NASD") filed with the Securities and Exchange Commission ("Commission" or "SEC") an amended fingerprinting plan ("Amended Plan") pursuant to Rule 17f-2(c)¹ under the Securities Exchange Act of 1934 ("Act").² The Amended Plan³ supersedes and replaces the NASD's current fingerprinting plan.⁴

The NASD believes that the Amended Plan will be an improvement over the current NASD fingerprinting plan. It permits the NASD to record in the Central Registration Depository ("CRD") the status of fingerprints submitted to the Attorney General. Through the CRD system, NASD makes available to a member or other securities industry participant that has submitted fingerprints the status and results of such fingerprints after submission to the Attorney General. In addition, the NASD has made other minor clarifying and typographical revisions.

Under the NASD's current fingerprinting plan, members or other securities industry participants submit fingerprints and identifying information, on paper or electronically, to the NASD, which then forwards the cards to the Federal Bureau of

Investigation ("FBI") (the fingerprint processing arm of the Office of the Attorney General of the United States). The FBI identifies submitted fingerprints, retrieves relevant criminal history information, and returns fingerprint reports (including the original paper fingerprint cards, if any) to the NASD. Under the terms of the Amended Plan, the member or other securities industry participant will be able to view the status and results of fingerprints, including any relevant criminal history information, through the CRD system.

The Commission has reviewed the procedures detailed in the Amended Plan and believes that the Amended Plan is consistent with the public interest and the protection of investors. Enabling members or other securities industry participants to view the status and results of fingerprints, including relevant criminal history information, through the CRD system should improve the efficiency of members or other securities industry participants in identifying persons who may be subject to statutory disqualification more rapidly. Thus, the Commission declares the Amended Plan to be effective.

The Commission notes that securities industry fingerprinting procedures are in a state of flux due to rapidly advancing technology. In the event that an industry-wide standard is adopted or becomes prevalent and in the event that this Amended Plan substantially differs therefrom, the Commission would expect the NASD to revise its fingerprinting plan to incorporate the industry-wide standard.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁵

Exhibit A—National Association of Securities Dealers, Incorporated; Fingerprint Plan

National Association of Securities Dealers, Inc. ("NASD") submits this Fingerprint Plan ("Plan") pursuant to Rule 17f-2(c) under the Securities Exchange Act of 1934 ("Exchange Act"). This Plan supersedes and replaces the NASD's Fingerprint Plan approved by the Securities and Exchange Commission ("Commission") on June 22, 1976, and as amended thereafter.

The purpose of this Plan is to facilitate securities industry participants' compliance with Section 17(f)(2) of the Exchange Act and Rule 17f-2 thereunder, by providing a facility for securities industry participants to
