

Description

Human remains representing, at minimum, one individual were removed from Hancock County, MS. On November 24, 2021, Bay St. Louis Police Department responded to a report detailing human remains found in a wooded area on Chapman Road near Longfellow Road in Bay St. Louis, MS. On December 8, 2021, the Hancock County Chief Medical Examiner Investigator was notified of the discovery and arranged to have the human remains sent to the State Medical Examiner's Office in Biloxi, MS. The human remains were examined prior to transport to the Office of the State Medical Examiner in Pearl, MS, for forensic anthropological analysis. Completed analysis determined the human remains were removed adjacent to a known archeological site and the human remains have biological markers consistent with Native American ancestry. On May 16, 2022, the Office of the State Medical Examiner transferred legal control of the individual to the MDAH. No associated funerary objects are present.

Cultural Affiliation

The human remains and associated funerary objects in this notice are connected to one or more identifiable earlier groups, Tribes, peoples, or cultures. There is a relationship of shared group identity between the identifiable earlier groups, Tribes, peoples, or cultures and one or more Indian Tribes or Native Hawaiian organizations. The following types of information were used to reasonably trace the relationship: biological information, geographical information, historical information, and other relevant information.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes and Native Hawaiian organizations, the MDAH has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- There is a relationship of shared group identity that can be reasonably traced between the human remains and associated funerary objects described in this notice and the Jena Band of Choctaw Indians; Mississippi Band of Choctaw Indians; and The Choctaw Nation of Oklahoma.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after August 15, 2022. If competing requests for repatriation are received, the MDAH must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The MDAH is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.
