Any person desiring to be heard or to make any protest with reference to said application should on or before June 9, 2000, file with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Any questions regarding the application should be directed to Susan T. Halbach, Senior Counsel, P.O. Box 2511, Houston, Texas 77252, phone number (713) 420-5751.

A person obtaining intervenor status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents issued by the Commission, filed by the applicant, or filed by all other intervenors. An

intervenor can file for rehearing of any Commission order and can petition for court review of any such order. However, an intervenor must serve copies of comments or any other filing it makes with the Commission to every other intervenor in the proceeding, as well as filing an original and 14 copies with the Commission. A person does not have to intervene, however, in order to have comments considered. A person, instead, may submit two copies of such comments to the Secretary of the Commission. Commenters will be placed on the Commission's environmental mailing list, will receive copies of environmental documents, and will be able to participate in meetings associated with the Commission's environmental review process. Commenters will not be required to serve copies of filed documents on all other parties. However, commenters will not receive copies of all documents filed by other parties or issued by the Commission, and will not have the right to seek rehearing or appeal the Commission's final order to a Federal court.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the NGA and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that the proposal is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for East Tennessee to appear or be represented at the hearing.

[Docket No. EL00-77-000]

**SkyGen Energy LLC v. Southern Company Services, Inc.; Notice of Complaint**

May 19, 2000.

Take notice that on May 18, 2000, SkyGen Energy LLC (Complainant) filed with the Federal Energy Regulatory Commission a complaint against Southern Company Services, Inc., as agent for Alabama Power Company, Georgia Power Company, Gulf Power Company, Mississippi Power Company, and Savannah Electric and Power Company (Respondent) pursuant to Rule 206 of the Commission's Rules of Practice and Procedure, 18 CFR 385.206. According to the Complaint, Respondent wrongfully denied a request made by SkyGen Energy Marketing, LLC on behalf of SkyGen and Santa Rosa Energy LLC (Santa Rosa Energy) under its Open Access Transmission Tariff (OATT) because that denial is based upon repudiation of the executed interconnection agreement between the Complainant and Respondent. The Complainant alleges that Respondent is denying Complainant interconnection service (the ability to access its electrical system) and its request for transmission service.

According to the Complainant, Respondent has planned the addition of its own generation to the Southwest Quadrant of its system while ignoring the addition of Complainant's Facility to the system already accomplished by the executed interconnection agreement. Now, on the basis that the Respondent cannot honor the Complainant's interconnection agreement by adding its
