DEPARTMENT OF LABOR

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Notice of Employee Rights Under National Labor Relations Act Complaint Process

ACTION: Notice of availability; request for comments.

SUMMARY: The Department of Labor (DOL) is submitting this Office of Labor-Management Standards (OLMS)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

DATES: The OMB will consider all written comments that the agency receives on or before August 22, 2025.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

Comments are invited on: (1) whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) the accuracy of the agency’s estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the burden of the

collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

FOR FURTHER INFORMATION CONTACT: Nicole Bouchet by telephone at 202–693–0213, or by email at DOL_PRA_PUBLIC@dol.gov.

SUPPLEMENTARY INFORMATION: Regulation 29 CFR 471.11 provides for the Department’s acceptance of written complaints alleging that a contractor doing business with the Federal government has failed to post the notice required by E.O. 13496. The regulation establishes that no special complaint form is required, but that complaint must be in writing. In addition, written complaints must contain certain information, including the name, address and telephone number of the person submitting the complaint, and the name and address of the Federal contractor alleged to have violated this rule. This regulation also establishes that written complaints may be submitted either to OFCCP or OLMS. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on May 16, 2025 (90 FR 21078).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.

POSTAL SERVICE

Privacy Act of 1974; System of Records

AGENCY: U.S. Postal Service.
ACTION: Notice of a modified system of records.

SUMMARY: The United States Postal Service (USPS) is proposing to revise one Customer Privacy Act Systems of Records (SOR). These modifications are being made to enhance customer registration account functionality and provide optional device fingerprinting services.

DATES: These revisions will become effective without further notice on August 22, 2025, unless comments received on or before that date result in a contrary determination.

ADDRESSES: Comments may be submitted via email to the Privacy and Records Management Office, United States Postal Service Headquarters (uspsprivacyfedregnotice@usps.gov). To facilitate public inspection, arrangements to view copies of any written comments received will be made upon request.

FOR FURTHER INFORMATION CONTACT: Janine Castorina, Chief Privacy and

Records Management Officer, Privacy and Records Management Office, 202–268–3069 or uspsprivacyfedregnotice@usps.gov.

SUPPLEMENTARY INFORMATION: This notice is in accordance with the Privacy Act requirement that agencies publish their systems of records in the **Federal Register** when there is a revision, change, or addition, or when the agency establishes a new system of records. The Postal Service has determined that Customer Privacy Act System of Records USPS 810.100 www.usps.com Registration should be revised to enhance customer registration account functionality and provide optional device fingerprinting services.

I. Background

The Postal Service takes great pride in its ability to provide mail, packages, and related services to the American people. Through the course of this administration, the Postal Service also forges and grows bonds with the business community within the U.S. The latest effort to facilitate this relationship, the Business Customer Gateway, provides enhanced service and facilitation for those entities that supply the American people with what they need.

As such, the Postal Service will revise this Privacy Act SOR to incorporate enhanced capabilities for *USPS.com* business accounts to administrate the accounts associated with that business. This will provide flexibility and efficiency in the sharing of *usps.com* resources between member accounts, as well as provide additional verification assurances as to the membership of that group.

Further, the Postal Service will implement optional device fingerprinting services as a method to help ensure account security and to provide a seamless user experience.

II. Rationale for Changes to USPS Privacy Act Systems of Records

The Postal Service will modify this Privacy Act Systems of Records accordingly to implement these changes:

Two new Purposes, 19 and 20.

Two modified Categories of Records, 1 and 2.

Two new Categories of Records, 10 and 11.

III. Description of the Modified System of Records

Pursuant to 5 U.S.C. 552a(e)(11), interested persons are invited to submit written data, views, or arguments on this proposal. A report of the proposed revisions to this SOR has been sent to

Congress and to the Office of Management and Budget for their evaluations. The Postal Service does not expect this modified system of records to have any adverse effect on individual privacy rights. Accordingly, for the reasons stated above, the Postal Service proposes revisions to this system of records. SOR 810.100 www.usps.com Registration is provided below in its entirety.
