Federal Register

Vol. 87, No. 178

Thursday, September 15, 2022

This section of the FEDERAL REGISTER contains documents other than rules or proposed rules that are applicable to the public. Notices of hearings and investigations, committee meetings, agency decisions and rulings, delegations of authority, filing of petitions and applications and agency statements of organization and functions are examples of documents appearing in this section.

DEPARTMENT OF AGRICULTURE

Office of the Secretary

Determination of Total Amount of Fiscal Year 2023 WTO Tariff-Rate Quota for Certain Sugars, Syrups and Molasses

AGENCY: Office of the Secretary, U.S. Department of Agriculture.

ACTION: Notice.

SUMMARY: The Office of the Secretary of the Department of Agriculture announces the establishment of the Fiscal Year (FY) 2023 (October 1, 2022—September 30, 2023) in-quota aggregate quantity of certain sugars, syrups, and molasses (also referred to as refined sugar) at 222,000 metric tons raw value (MTRV).

DATES: This notice is applicable on September 15, 2022.

FOR FURTHER INFORMATION CONTACT: Souleymane Diaby, Multilateral Affairs Division, Trade Policy and Geographic Affairs, Foreign Agricultural Service, U.S. Department of Agriculture, Stop 1070, 1400 Independence Avenue SW, Washington, DC 20250–1070; by telephone (202) 720–2916; or by email Souleymane.Diaby@usda.gov.

SUPPLEMENTARY INFORMATION: The provisions of paragraph (a)(i) of Additional U.S. Note 5, chapter 17 in the Harmonized Tariff Schedule of the United States (HTS) authorize the Secretary to establish the in-quota tariff-rate quota (TRQ) amounts (expressed in terms of raw value) for imports of raw cane sugar and certain sugars, syrups, and molasses that may be entered under the subheadings of the HTS subject to the lower tier of duties during each fiscal year. The Office of the U.S. Trade Representative (USTR) is responsible for the allocation of these quantities among supplying countries and areas.

Section 359(k) of the Agricultural Adjustment Act of 1938, as amended, requires that at the beginning of the

quota year the Secretary of Agriculture establish the TRQs for raw cane sugar and refined sugars at the minimum levels necessary to comply with obligations under international trade agreements, with the exception of specialty sugar.

The Secretary's authority under paragraph (a)(i) of Additional U.S. Note 5, chapter 17 in the HTS and section 359(k) of the Agricultural Adjustment Act of 1938, as amended, has been delegated to the Under Secretary for Trade and Foreign Agricultural Affairs (TFAA) (7 CFR 2.15). That authority, in turn, has been delegated to the Deputy Under Secretary for TFAA under certain circumstances (7 CFR 2.600).

Notice is hereby given that I have determined, in accordance with paragraph (a)(i) of Additional U.S. Note 5, chapter 17 in the HTS and section 359(k) of the 1938 Act, that an aggregate quantity of 222,000 MTRV of sugars, syrups, and molasses (refined sugar) may be entered or withdrawn from warehouse for consumption during FY 2023. This quantity includes the minimum amount to which the United States is committed under the WTO Uruguay Round Agreements, 22,000 MTRV, of which 20,344 MTRV is established for any sugars, syrups and molasses, and 1,656 MTRV is reserved for specialty sugar. An additional amount of 200,000 MTRV is added to the specialty sugar TRQ for a total of 201,656 MTRV. The conversion factor is 1 metric ton raw value equals 1.10231125 short tons raw value.

Because the specialty sugar TRQ is first-come, first-served, tranches are needed to allow for orderly marketing throughout the year. The FY 2023 specialty sugar TRQ will be opened in five tranches. The first tranche, totaling 1,656 MTRV, will open October 3, 2022. All specialty sugars are eligible for entry under this tranche. The second tranche of 60,000 MTRV will open on October 10, 2022. The third tranche of 60,000 MTRV will open on January 20, 2023. The fourth tranche of 40,000 MTRV will open on April 14, 2023. The fifth tranche of 40,000 MTRV will open on July 14, 2023. The second, third, fourth, and fifth tranches will be reserved for organic sugar and other specialty sugars not currently produced commercially in

the United States or reasonably available from domestic sources.

Jason Hafemeister,

Acting Deputy Under Secretary, Trade and Foreign Agricultural Affairs.

DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments are requested regarding; whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by October 17, 2022 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.
