Applicant's Representations

1. CSFB, a Delaware corporation, is a subsidiary of Credit Suisse First Boston, a Swiss bank, which is, in turn, a subsidiary of Credit Suisse Group, a Swiss corporation. CSFB and its affiliates as defined in rule 12b-2 under the Securities Exchange Act of 1934 (the "Exchange Act") ("Affiliates" and, together with CSFB, the "Credit Suisse Group") provide a range of financial, banking, insurance, advisory, and investment services to corporations, governments, and other clients throughout the world. Credit Suisse First Boston Corporation ("CSFB Corporation"), a broker-dealer registered under the Exchange Act, is a wholly-owned subsidiary of CSFB.

2. Under the Prior Order, CSFB has offered and proposes to continue to offer various investment programs for the benefit of certain key employees. These programs may be structured as different Partnerships, or as separate plans within the same Partnership. Each Partnership will be a limited partnership or other investment vehicle formed as an "employees' securities company" within the meaning of section 2(a)(13) of the Act, and will operate as a closed-end, non-diversified, management investment company.² The Partnerships

² Applicant also may implement a pretax plan arrangement ("Pretax Plan"). In this case, no investment vehicle will be formed with respect to such Pretax Plan. Pursuant to a Pretax Plan, Credit Suisse Group will enter into arrangements with certain Eligible Employees, as defined below, of Credit Suisse Group, which will generally provide that (a) an Eligible Employee will defer a portion of his or her compensation payable by Credit Suisse Group, (b) such deferred compensation will be treated as having been notionally invested in investments designated for these purposes pursuant to the specific compensation plan, and (c) an Eligible Employee will be entitled to receive cash, securities or other property at the times and in the amounts set forth in the specific compensation plan, where the aggregate amount received by such Eligible Employee would be based upon the investment performance of the investments designated for these purposes pursuant to such compensation plan. The Pretax Plan will not actually purchase or sell any securities. Credit Suisse Group expects to offer, through Pretax Plans, economic benefits comparable to what would have been offered in an arrangement where an investment vehicle is formed. For purposes of the application, a Partnership will be deemed to be formed with respect to each Pretax Plan and each reference in the application to "Partnership," "capital contribution," "General Partner," "Limited Partner," "loans," and "Interest" will be deemed to refer to the Pretax Plan, the notional capital contribution to the Pretax Plan, Credit Suisse
