

Application. If so contacted, the Applicant must respond within the time specified by NCUA or NCUA, in its sole discretion, may decline the application without further consideration.

3. *Evaluation and Scoring:* The evaluation criteria for each initiative will be more fully described in the grant guidelines.

4. *Input from Examiners:* NCUA will not approve an award to a credit union for which it's NCUA regional examining office or State Supervisory Agency (SSA), if applicable, indicates it has safety and soundness concerns. If the NCUA regional office or SSA identifies a safety and soundness concern, OSCUI, in conjunction with the regional office or SSA, will assess whether the condition of the Applicant is adequate to undertake the activities for which funding is requested, and the obligations of the loan and its conditions. NCUA, in its sole discretion, may defer decision on funding an Application until the credit union's safety and soundness conditions improve.

V. Award Process

A. *Award Selection:* In general, NCUA will make its award selections based on a consistent scoring system where each applicant will receive an individual score. NCUA will consider the impact of the funding. When grant demand is high applications may be ranked based on the aforementioned in addition to factors listed in the grant guidelines.

B. *Notice of Award:* NCUA will notify each Applicant of its funding decision. Notification will generally be by email. Applicants that are approved for funding will also receive instructions on how to proceed with the reimbursement request for disbursement of funds.

VI. Post-Award Requirements

A. *Reporting Requirements:* Each awarded credit union must submit a reimbursement request in order to receive the awarded funds. The reimbursement requirements are specific to each initiative. In general, the reimbursement request will require an explanation of the impact of funding and any success or failure to meet objectives for use of proceeds, outcome, or impact. NCUA, in its sole discretion, may modify these requirements.

VII. Agency Contacts

A. *Methods of Contact:* For further information, contact NCUA by email at OSCUIAPPS@ncua.gov.

B. *Information Technology Support:* People who have visual or mobility impairments that prevent them from using NCUA's Web site should call
