Competition Details

1. *Subject of Competition:* The SBA is seeking to identify the nation's most innovative and promising small business accelerators and incubators in order to infuse them with additional resource capital that ultimately stimulates the growth and development of startups from within the entrepreneurial communities they serve. For the purposes of this Competition, Growth Accelerators include accelerators, incubators, co-working startup communities, shared tinker-spaces or other models to accomplish similar goals. Regardless of the specific model employed, Growth Accelerators focus on helping entrepreneurs and

their startups speed the launch, growth and scale of their businesses. A broad set of models used to support start-ups will better serve the entire entrepreneurial ecosystem. Whether an accelerator is industry focused, technology focused, product centric, cohort based or more long term, all are valuable players in the nation's high-growth entrepreneurial ecosystem that ultimately creates jobs.
