

Mitigation. The NAC will hold discussions on professionalism of emergency management, approaches for National Incident Management System (NIMS) Credentialing implementation, and the Public Assistance (PA) Bottom-Up Review.

The NAC plans to discuss implementation of the credentialing process. FEMA's "NIMS Guideline for the Credentialing of Personnel" describes the process and standards for validating personnel qualifications and providing authorization, so that those personnel may perform specific functions and have specific access to an incident involving mutual aid. The credentialing process entails the objective evaluation and documentation of an individual's current certification, license, or degree; training and experience; and competence or proficiency to meet nationally accepted standards, provide particular services and/or functions, or perform specific

tasks under specific conditions during an incident.

The NAC will discuss and take comment on the Bottom-Up Review. FEMA is currently performing a Bottom-Up Review to identify changes to improve the effectiveness and efficiency of the PA program. FEMA is approaching the Bottom-Up Review as an opportunity to re-evaluate the PA Program in its entirety and will consider new concepts for the operation of the PA Program, consistent with the FEMA's statutory authorities. FEMA's goal is to formulate and implement changes to the PA Program to provide grantees and subgrantees with the greatest flexibility possible in the use of PA funding, while ensuring program effectiveness and accountability for taxpayer dollars and compliance with Federal statutes and requirements.

Finally, the NAC may receive updates from FEMA offices regarding response, recovery, preparedness, and on the Regional Advisory Councils.

Title of Proposal: Emergency Homeowners' Loan Program Data Elements.

OMB Control Number, if applicable: 2502-0597.

Description of the need for the information and proposed use: This information collection is necessary to determine applicant eligibility to receive mortgage relief assistance under the Emergency Homeowners' Loan Program. This Notice informs the public that the U.S. Department of Housing and Urban Development (HUD) has submitted to OMB, an information collection package with respect to implementing the Emergency Homeowners' Loan Program targeted to borrowers facing foreclosure.

The Dodd-Frank Wall Street Reform and Consumer Protection Act, 2010 (Pub. L. 111-203, approved July 21, 2010, Sec 1496) appropriated \$1billion to HUD to establish an Emergency Homeowner's Relief Fund, pursuant to section 107 of the Emergency Housing Act of 1975, that will provide emergency mortgage assistance to homeowners that are at risk of foreclosure due to involuntary unemployment or underemployment due to an adverse economic or medical condition. Accordingly, HUD is implementing the Emergency Homeowners Loan Program (EHLF) that is designed to offer a declining balance, deferred payment "bridge loan" (non-recourse, subordinate loan with zero interest) for up to \$50,000 to assist eligible homeowners with payments of arrearages, including delinquent taxes and insurance. Additionally, EHLF maybe used to assist eligible homeowners with up to 24 months of monthly payments on their mortgage principal, interest, mortgage insurance premiums, taxes, and hazard insurance. Assistance will not exceed \$50,000 per eligible homeowner.

HUD will use two approaches to implement EHLF: (1) Provide allocations to States that currently have substantially similar programs to administer their mortgage relief funds directly; and (2) delegate key administrative functions to third party entities that will assist HUD with program implementation. The third party entities will be primarily responsible for application intake, eligibility screening, funds control, payment distribution, and note processing.

Homeowners' (borrowers') participation in the program is voluntary. However, to help determine eligibility for assistance borrowers must submit the required application information and loan documentation to demonstrate that they meet program eligibility guidelines to receive mortgage relief assistance through EHLF.

Agency form numbers, if applicable: None.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The total number of respondents are estimated to be 36,264; the frequency of response (one time) for initial intake and an on-occasion response to re-certify changes in required eligibility data, the estimated time needed to prepare the response averages 3 hours ; and the total estimated annual burden hours are 108,792.

Status of the proposed information collection: This is an extension of a currently approved collection.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C., Chapter 35, as amended.

Dated: April 20, 2011.

Ronald Y. Spraker,

Associate General Deputy Assistant Secretary for Housing.
