Applicants' Representations

1. The Fund is a Maryland corporation registered under the Act as an open-end management investment company.¹ The Adviser, a Florida

¹ Any future portfolio of the Fund that may rely on the order in the future will do so only in accordance with the terms and conditions of the application.

corporation and a wholly-owned subsidiary of American National Insurance Company ("American National"), is registered as an investment adviser under the Investment Advisers Act of 1940.² The Adviser serves as the investment adviser for the Fund. The Fund is the investment medium for premium payments received by American National from the sale of variable universal life insurance and variable annuity contracts. The Fund currently offers eight portfolios, including the Money Market Portfolio (the "Portfolios"). The Money Market Portfolio is subject to the requirements of rule 2a-7 under the Act.

2. Applicants state that each Investing Portfolio (as defined below) has, or may be expected to have, cash that has not been invested in portfolio securities ("Uninvested Cash"). Uninvested Cash may result from a variety of sources, including dividends or interest received on portfolio securities, unsettled securities transactions, strategic reserves, matured investments, proceeds from liquidation of investment securities, dividends payments, or money received from investors. A Portfolio that purchases shares of the Money Market Portfolio is referred to as an Investing Portfolio.

3. Applicants request an order to permit each of the Investing portfolios to invest their Uninvested Cash in the Money Market portfolio, and to permit the Money Market Portfolio to sell shares to, and redeem shares from, the Investing Portfolios. Investments of Uninvested Cash in shares of the money market Portfolio will be made only to the extent that such investment is consistent with each investing Portfolio's investment restrictions and policies as set forth in the Fund's prospectus and statement of additional information. Applicants believe that the proposed transactions may reduce transaction costs, create more liquidity, increase returns, and diversify holdings.

Applicants' Legal Analysis

1. Section 12(d)(1)(A) of the Act provides, in pertinent part, that no registered investment company may acquire securities of another investment company if such securities represent more than 3% of the acquired company's outstanding voting stock, more than 5% of the acquiring

company's total assets, or if such securities, together with the securities of other acquired investment companies, represent more than 10% of the acquiring company's total assets. Section 12(d)(1)(B) of the Act, in pertinent part, provides that no registered open-end investment company may sell its securities to another investment company if the sale will cause the acquiring company to own more than 3% of the acquired company's voting stock, or if the sale will cause more than 10% of the acquired company's voting stock to be owned by investment companies.

2. Section 12(d)(1)(J) of the Act provides that the Commission may exempt any person, security, or transaction from any provision of section 12(d)(1) if, and to the extent that, such exemption is consistent with the public interest and the protection of investors. Applicants request relief under section 12(d)(1)(J) from the limitation of sections 12(d)(1)(A) and (B) to permit the Investing Portfolios to invest Uninvested Cash in the Money Market Portfolio.

3. Applicants state that the proposed arrangement would not result in the abuses that sections 12(d)(1)(A) and (B) were intended to prevent. Applicants state that because the Money Market Portfolio will maintain a highly liquid portfolio, an Investing Portfolio will not be in a position to gain undue influence over the Money Market Portfolio. Applicants represent that the proposed arrangement will not result in an inappropriate layering of fees because shares of the Money Market Portfolio sold to the Investing Portfolios will not be subject to a sales load, redemption fee, distribution fee under a plan adopted in accordance with rule 12b-1 under the Act, or service fee (as defined in rule 2830(b)(9) of the National Association of Securities Dealers' ("NASD") Conduct Rules). Applicants represent that the Money Market Portfolio will not acquire securities of any other investment company in excess of the limitations contained in section 12(d)(1)(A) of the Act.

4. Section 17(a) of the Act makes it unlawful for any affiliated person of a registered investment company, or an affiliated person of such person, acting as principal, to sell or purchase any security to or from the company. Section 2(a)(3) of the Act defines an "affiliated person" of an investment company to include, among others, any person directly or indirectly controlling, controlled by, or under common control with the investment company and any investment adviser to the investment company. Applicants state that, because

the Portfolios share a common investment adviser, each Portfolio may be deemed to be under common control with each of the other Portfolios, and thus an affiliated person of each of the other Portfolios. As a result, section 17(a) would prohibit the sale of the shares of the Money Market Portfolio to the Investing Portfolios, and the redemption of the shares by the Money Market Portfolio.

5. Section 17(b) of the Act authorizes the Commission to exempt a transaction from section 17(a) if the terms of the proposed transaction, including the consideration to be paid or received, are reasonable and fair and do not involve overreaching on the part of any person concerned, the proposed transaction is consistent with the policy of each investment company concerned, and the proposed transaction is consistent with the general purposes of the Act. Section 6(c) of the Act permits the Commission to exempt persons or transactions from any provision of the Act if the exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

6. Applicants submit that their request for relief to permit the purchase and redemption of shares of the Money Market Portfolio by the Investing Portfolios satisfied the standards in sections 6(c) and 17(b) of the Act. Applicants note that shares of the Money Market Portfolio will be purchased and redeemed at their net asset value, the same consideration paid and received for these shares by any other shareholder. Applicants state that the Investing Portfolios will retain their ability to invest their Uninvested Cash directly in money market instruments as authorized by their respective investment objectives and policies if they believe they can obtain a higher rate of return, or for any other reason. Applicants also state that the Money Market Portfolio has the right to discontinue selling shares to any of the Investing Portfolios if the Money Market Portfolio's board of directors determines that such sale would adversely affect its portfolio management or operations.

7. Section 17(d) of the Act and rule 17d-1 under the Act prohibit an affiliated person of a registered investment company, acting as principal, from participating in or effecting any transaction in connection with any joint enterprise or joint arrangement in which the investment company participates. Applicants state that each Investing Portfolio, by purchasing shares of the Money Market Portfolio, the Adviser, by managing the

² For purposes of this application, the term "Adviser" includes, in addition to Securities Management and Research, Inc., any other person controlling, controlled by or under common control with Securities Management and Research, Inc., that acts in the future as an investment adviser for the Fund.

assets of the Investing Portfolios investing in the Money Market Portfolio, and the Money Market Portfolio, by selling shares to the Investing Portfolios, could be deemed to be participants in a joint enterprise or arrangement within the meaning of section 17(d) of the Act and rule 17d-1 under the Act.

8. Rule 17d-1 permits the Commission to approve a proposed joint transaction covered by the terms of section 17(d) of the Act. In determining whether to approve a transaction, the Commission is to consider whether the proposed transaction is consistent with the provisions, policies, and purposes of the Act, and the extent to which the participation is on a basis different from or less advantageous than that of other participants. Applicants submit that the investment by the Investing Portfolios in shares of the Money Market Portfolio would be indistinguishable from any other shareholder account maintained by the Money Market Portfolio and that the transactions will be consistent with the Act.

Applicants' Conditions

Applicants agree that any order granting the requested relief will be subject to the following conditions:

1. Shares of the Money Market Portfolio sold to and redeemed by the Investing Portfolios will not be subject to a sales load, redemption fee, distribution fee under a plan adopted in accordance with rule 12b-1 under the Act or a service fee (as defined in rule 2830(b)(9) of the NASD Conduct Rules).

2. If the Adviser collects from the Money Market Portfolio a fee for acting as its investment adviser with respect to assets invested by the Investing Portfolios, before the next meeting of the board of directors of the Fund ("Board") is held for the purpose of voting on an investment advisory contract under section 15 of the Act, the Adviser will provide the Board with specific information regarding the approximate cost to the Adviser for, or portion of the investment advisory fee under the existing advisory agreement attributable to, managing the assets of the Investing Portfolios that can be expected to be invested in the Money Market Portfolio. Before approving any investment advisory contract under section 15, the Board, including a majority of the directors who are not "interested persons," as defined in section 2(a)(19) of the Act, shall consider to what extent, if any, the investment advisory fees charged to the Investing Portfolios by the Adviser should be reduced to account for the investment advisory fees indirectly paid by the Investing Portfolios because of the investment

advisory fee paid by the Money Market Portfolio to the Adviser. The minute books of the Fund will record fully the factors considered by the Board in approving the investment advisory contract, including the considerations of the Board relating to the advisory fees referred to above.

3. Each Investing Portfolio will invest Uninvested Cash in, and hold shares of, the Money Market Portfolio only to the extent that the Investing Portfolio's aggregate investment in the Money Market Portfolio does not exceed 25 percent of the total assets of the Investing Portfolio. For purposes of this limitation, each Investing Portfolio will be treated as a separate investment company.

4. Investment in shares of the Money Market Portfolio will be in accordance with each Investing Portfolio's respective investment restrictions and policies as set forth in the Fund's prospectus and statement of additional information.

5. Each Investing Portfolio and the Money Market Portfolio that may rely on the order will be advised by the Adviser, or a person controlling, controlled by, or under common control with the Adviser.

6. The Money Market Portfolio will not acquire securities of any other investment company in excess of the limits contained in section 12(d)(1)(A) of the Act.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Jonathan G. Katz,

Secretary.
