SUPPLEMENTARY INFORMATION: HUD is providing this notice in accordance with the Privacy Act of 1974 (5 U.S.C. 552a), as amended by the Computer Matching and Privacy Protection Act of 1988 (Pub. L. 100-503) and the Computer Matching and Privacy Protection Amendments of 1990 (Pub. L. 101-508) (Privacy Act); Office of Management and Budget (OMB) Final Guidance Interpreting the Provisions of Public Law 100-503, the Computer Matching and Privacy Protection Act of 1988, 54 FR 25818 (June 19, 1989); and OMB Circular A-108, 81 FR 94424 (December 23, 2016).

To support the prevention and detection of duplication of benefits, HUD will request data from FEMA on an as-needed basis to share with Community Development Block Grant disaster recovery (CDBG-DR) grantees,

and the grantees will use the data to detect and prevent the duplication of benefits. CDBG-DR grantees will conduct a duplication of benefits review for CDBG-DR grant-funded programs and activities. HUD's data request will be based on the specific program requirements specified in an approved CDBG-DR grantee action plan. CDBG-DR grantees will use FEMA data received through HUD to facilitate expedited program implementation while preventing the duplication of benefits already received from FEMA. All data sharing from HUD to CDBG-DR grantees will occur in accordance with agreements between HUD and the CDBG-DR grantees that address requirements related to the use and protection of the data.

Participating Agencies: U.S. Department of Housing and Urban Development (HUD), the state of Iowa, the state of California, the state of Louisiana, and the Commonwealth of the Northern Mariana Islands (CNMI).

Authority for Conducting the Matching Program: A. Robert T. Stafford Disaster Relief and Emergency Assistance Act (as amended at 42 U.S.C. 5155(a) *et seq.*) (Stafford Act), section 312, which requires each federal agency that administers any program providing financial assistance because of a major disaster or emergency to assure that no individual or entity receives duplicate financial assistance under any program, from insurance, or through any other source. The Stafford Act, 42 U.S.C. 5155(c), requires FEMA or HUD (whichever agency provided the duplicative assistance) to recover all duplicative assistance from the recipient when the head of such agency considers it to be in the best interest of the Federal Government.

B. Section 408(i) of the Stafford Act, 42 U.S.C. 5174(i), directs and authorizes FEMA, in carrying out Section 408 (Federal Assistance to Individuals and Households), to "develop a system, including an electronic database," to: (a) Verify the identity and address of recipients of assistance to provide reasonable assurance that payments are made only to an individual or household that is eligible for such assistance, (b) Minimize the risk of making duplicative payments or payments for fraudulent claims, (c) Collect any duplicate payment on a claim or reduce the amount of subsequent payments to offset the amount of any such duplicate payment, (d) Provide instructions to recipients of assistance regarding the proper use of any such assistance, regardless of how such assistance is distributed, and (e) Conduct an expedited and simplified

review and appeal process for an individual or household whose application for assistance is denied.

C. HUD imposes the requirements of the Stafford Act, section 312, on CDBG-DR grantees. Appropriations acts making CDBG-DR funds available, as listed in Section II.C.8 of the Computer Matching Agreement, require CDBG-DR grantees to have adequate procedures to prevent the duplication of benefits. HUD enforces these requirements on CDBG-DR grantees using its statutory and regulatory remedies for noncompliance in Section 111 of Title I of the Housing and Community Development of 1974 (42 U.S.C. 5311) and regulations at 24 CFR part 570 and 2 CFR part 200.

D. Executive Order 13411, “Improving Assistance for Disaster Victims,” 71 FR 52729 (August 29, 2006), calls on federal agencies to “reduce unnecessarily duplicative application forms and processes for Federal disaster assistance,” which includes processing benefits applications submitted by individuals, businesses, or other entities for the same disaster.

E. The President may authorize both emergency sheltering and Section 408 federal assistance to individuals and households, pursuant to either a major disaster under Section 403, at 42 U.S.C. 5170b, or an emergency under Section 502 of the Stafford Act, 42 U.S.C. 5192. Essential Assistance, pursuant to Section 403(a)(3)(B) of the Stafford Act, 42 U.S.C. 5170b, authorizes emergency sheltering, including both congregate and non-congregate sheltering, to meet the immediate needs of disaster survivors for a major disaster. Additionally, federal assistance where necessary to prevent human suffering under Section 502(a)(8) authorizes emergency sheltering for an emergency.

F. The Debt Collection Improvement Act of 1996, 31 U.S.C. 3325(d) and 7701(c)(1), which requires federal agencies to collect the Taxpayer Identification Number (TIN) or Social Security Number (SSN) of each person who receives payments from the Federal Government; and each person doing business with the Federal Government is required to furnish his or her TIN. For the purposes of 31 U.S.C. 7701, a person is doing business with the Federal Government if the person is: (1) A lender or servicer in a federal guaranteed or insured loan program administered by a federal agency, (2) An applicant for, or recipient of, a federal license permit, right-of-way, grant, or benefit payment administered by a federal agency, (3) A contractor of a federal agency, (4) Assessed a fine, fee, royalty, or penalty by a federal agency,

or (5) In a relationship with a federal agency that may give rise to a receivable due to that agency such as a partner of a borrower in or a guarantor of a federal direct or insured loan administered by the federal agency. Each federal agency must inform each person required to disclose his or her TIN of the agency’s intent to use such number for purposes of collecting and reporting on any delinquent amounts arising out of such person’s relationship with the Federal Government.

G. The appropriations acts that authorize and appropriate supplemental CDBG-DR assistance lay out specific requirements, some of which may vary by appropriation. These appropriations acts impose requirements related to the (1) prevention of fraud, waste, and abuse, (2) order of assistance, and (3) prevention of duplication of benefits on HUD or its CDBG-DR grantees, as directed by the applicable act. The appropriations acts, listed below, also require HUD to make allocations based on a determination of unmet need in the “most impacted and distressed areas” resulting from major disasters.

Legal authority for CDBG-DR assistance is derived from Title I of the Housing and Community Development Act of 1974 (42 U.S.C. 5301 *et seq.*); subsequent appropriations acts making CDBG-DR assistance available; the following prior appropriations acts—Public Law 117–180, 117–43, 116–20, 115–254, 115–123, 115–56, 115–31, 114–254, 114–223, 114–113, 113–2, 112–55, 111–212, 110–329, 110–252, 110–116, 109–234, 109–148, 108–324, 107–206, 107–117, 107–73, 107–38, 106–31, 105–277, 105–276, 105–174, 105–18, 104–134, 104–19, 103–327, 103–211, 103–75, and 103–50—and by the notices published in the **Federal Register** that govern CDBG-DR grant assistance including the *Updates to Duplication of Benefits Requirements Under the Stafford Act for Community Development Block Grant (CDBG) Disaster Recovery Grantees* at 84 FR 28836 (June 20, 2019).

H. The HUD regulation at 24 CFR 982.352(c) prohibits a family from receiving the benefit of Section 8 tenant-based assistance under the Housing Choice Voucher Program while also receiving the benefit of any of the following forms of other housing subsidy for the same or a different unit:

1. Public or Indian housing assistance,
2. Section 8 assistance (including other tenant-based assistance) under Section 8 of the U.S. Housing Act of 1937, 42 U.S.C. 1437f,
3. Assistance under former Section 23 of the United States Housing Act of 1937 (before amendment by the Housing

and Community Development Act of 1974),

4. Section 101 of the Housing and Urban Development Act of 1965, 12 U.S.C. 1701s (Section 101 rent supplements),

5. Section 236 of the National Housing Act, 12 U.S.C. 1715z–1 (Section 236 rental assistance payments),

6. Tenant-based assistance under the HOME Investment Partnerships Program (HOME) authorized by Title II of the Cranston-Gonzalez National Affordable Housing Act, 42 U.S.C. 12701 *et seq.*,

7. Rental assistance payments under Section 521 of the Housing Act of 1949, 42 U.S.C. 258 1441 *et seq.* (a program of the Rural Development Administration),

8. Any local or state rent subsidy,

9. Section 202 of the Housing Act of 1959, 12 U.S.C. 1701q, as amended (Section 202 supportive housing for the elderly),

10. Section 811 of the Cranston-Gonzalez National Affordable Housing Act, as amended, 42 U.S.C. 8013 (Section 811 supportive housing for persons with disabilities),

11. Section 202 projects for non-elderly persons with disabilities (Section 162 assistance) authorized by Section 162 of the Housing and Community Development Act of 1987, 12 U.S.C. 1701a note, amending Section 202(h) of the Housing Act of 1959, or

12. Any other duplicative federal, state, or local housing subsidy, as determined by HUD. For this purpose, “housing subsidy” does not include the housing component of a welfare payment, a Social Security payment received by the family, or a rent reduction because of a tax credit. (June 20, 2019).

Purpose(s): The Computer Matching Agreements describe the respective responsibilities of HUD and the state of Iowa, the state of California, the state of Louisiana, and the CNMI to determine and verify the accuracy of the data, eligibility for their respective benefits, and to preserve the confidentiality of information in accordance with the matching program. The requirements of the Computer Matching Agreements will be carried out by authorized users of the state of Iowa, the state of California, the state of Louisiana, and the CNMI (which include the grantees’ authorized employees, and contractors). The agreements also describe the responsibilities of HUD, HUD’s CDBG-DR grantees, and DHS-FEMA for other purposes, as described below.

The Computer Matching Agreements establish the terms and conditions governing the CDBG-DR grantees access to, and use of FEMA’s Individual Assistance (IA), Individual’s and

Household Program data. All FEMA program data that HUD provides to CDBG–DR grantees will be shared via these Computer Matching Agreements between HUD and CDBG–DR grantees that reflect the requirements of the Computer Matching Agreement between FEMA and HUD. The data exchanged between HUD and CDBG–DR grantees will be used to support the duplication of benefits checks conducted by the grantee.

HUD will provide FEMA data to CDBG–DR grantees, pursuant to their separate Computer Matching Agreements, for them to use to determine the correct award amount for eligible program beneficiaries by identifying unmet needs of FEMA applicants; prevent the duplication of benefits; implement the statutory requirement that CDBG–DR funds may not be used for activities reimbursable by or for which funds are made available by FEMA; and implement the statutory requirement to establish procedures to detect and prevent waste, fraud, and abuse of funds.

A. Background

In order to implement the expanded MTW program under division L, title II of the Consolidated Appropriations Act, 2016 (Pub. L. 114-113, December 18, 2015), HUD issued the first Operations Notice of the Expansion of the Moving to Work Demonstration Program Solicitation of Comment (82 FR 8056, January 23, 2017) (Operations Notice), and solicited public comment. This notice established requirements for the implementation and continued operation of the expansion of the MTW demonstration program pursuant to the 2016 MTW Expansion Statute and certain pre-approved waivers to establish program flexibility for participants. These waivers will be available to MTW PHAs when the revised MTW ACC Amendment is executed. The Operations Notice also provided that the 100 PHAs would be selected in cohorts, with applications for each cohort to be sought via a Selection Notice.

This initial Operations Notice was followed by subsequent **Federal Register** notices. On May 4, 2017, HUD published the Operations Notice for the Expansion of the Moving to Work Demonstration Program Solicitation of Comment; Waiver Revision and Reopening of Comment Period.” On October 5, 2018, HUD published a further Operations Notice (83 FR 50387) (a correction and extension of the comment period was published on October 11, 2018 (83 FR 51474)). This notice made changes as a result of the prior public comments, and again solicited public comments. After reviewing these comments and making changes, the Operations Notice was then published for implementation on August 28, 2020 (85 FR 53444).

On December 27, 2018, HUD issued for public comment the 60-day notice for the Moving to Work Amendment to the Consolidated Annual Contributions Contract (the “MTW ACC Amendment”) under the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.* (83 FR 66738). The MTW ACC Amendment was revised in response to public comments received under the 60-day Notice. The formal title was also changed to the “Moving to Work Amendment to the Annual Contributions Contract(s).” On November 8, 2019, HUD issued for the public comment the 30-day notice for The MTW ACC Amendment. The MTW ACC Amendment was further revised in response to public comments received under the 30-day Notice, and published for use on August 31, 2020. This notice seeks public comment on the renewal of MTW ACC Amendment.

B. Overview of Information Collection

Title of Information Collection: Moving to Work Amendment to Consolidated Annual Contributions Contract(s).

OMB Approval Number: 2577-0294.

Type of Request: Renewal of a currently approved collection.

Form Number: HUD-50166.

Description of the need for the information and proposed use: The proposed Moving to Work (MTW) Amendment to the Annual Contributions Contract(s), signed by HUD and the selected Public Housing Authority (PHA), is necessary for HUD to implement the expansion of the Moving to Work program enacted by Congress in the Consolidated Appropriations Act, 2016 (Pub. L. 114-113, approved December 18, 2015) (2016 Appropriation). It establishes the basic terms and conditions that will apply to 100 new PHAs participating in the MTW demonstration pursuant to the 2016 Appropriation. Specifically, the
