Each State agency administering the FMNP is required to use FNS-683 and FNS-203 to report financial and participation data to the Secretary as required by 7 CFR Part 3016. FNS will use this information for funding and program management decisions. Based on the previous submission of reporting and recordkeeping requirements for the

FMNP, 35 State agencies were operating the program. However, currently 41 State agencies operate the FMNP. No new program requirements have been added to change or increase the number of hours per response. Therefore, based on an increase in respondents, a revision to the reporting and recordkeeping burden is necessary.

data needed, and completing and reviewing the collection of information. As noted above, these hours remain unchanged from the previous submission.
