Preliminary Results of Review

In accordance with 19 CFR 351.221(b)(4)(i), we calculated an individual subsidy rate for each producer/exporter subject to this administrative review. For the period January 1, 2009, through December 31, 2009, we preliminarily determine the net subsidy rate for HYSCO to be 0.11 percent *ad valorem*, a *de minimis* rate. See 19 CFR 351.106(c)(1).

The Department intends to issue assessment instructions to U.S. Customs and Border Protection (CBP) 15 days after the date of publication of the final results of this review. If the final results remain the same as these preliminary results, the Department will instruct CBP to liquidate without regard to countervailing duties all shipments of subject merchandise produced by HYSCO, entered, or withdrawn from warehouse, for consumption from January 1, 2009, through December 31, 2009. The Department will also instruct CBP to collect cash deposits of zero percent on shipments of the subject merchandise produced by HYSCO, entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review.

We will instruct CBP to continue to collect cash deposits for non-reviewed companies at the most recent company-specific or country-wide rate applicable to the company. Accordingly, the cash deposit rates that will be applied to companies covered by this order, but not examined in this review, are those established in the most recently completed administrative proceeding for each company. These rates shall apply to all non-reviewed companies until a review of a company assigned these rates is requested.

Disclosure and Public Comment

Pursuant to 19 CFR 351.224(b), the Department will disclose to parties to the proceeding any calculations performed in connection with these preliminary results within five days after the date of the public announcement of this notice. Pursuant to 19 CFR 351.309, interested parties may submit written comments in response to these preliminary results. Unless otherwise indicated by the Department, case briefs must be

submitted within 30 days after the publication of these preliminary results. See 19 CFR 351.309(c)(1)(ii). Rebuttal briefs, which are limited to arguments raised in case briefs, must be submitted no later than five days after the time limit for filing case briefs, unless otherwise specified by the Department. See 19 CFR 351.309(d)(1). Parties who submit argument in this proceeding are requested to submit with the argument: (1) A statement of the issue; and (2) a brief summary of the argument. Parties submitting case and/or rebuttal briefs are requested to provide the Department copies of the public version on disk. Case and rebuttal briefs must be served on interested parties in accordance with 19 CFR 351.303(f). Also, pursuant to 19 CFR 351.310(c), within 30 days of the date of publication of this notice, interested parties may request a public hearing on arguments to be raised in the case and rebuttal briefs. Unless the secretary specifies otherwise, the hearing, if requested, will be held two days after the date for submission of rebuttal briefs.

Pursuant to 19 CFR 351.305(b)(4), representatives of parties to the proceeding may request disclosure of proprietary information under administrative protective order no later than 10 days after the representative's client or employer becomes a party to the proceeding, but in no event later than the date the case briefs, under 19 CFR 351.309(c)(i), are due. The Department will publish the final results of this administrative review, including the results of its analysis of issues raised in any case or rebuttal brief or at a hearing.

These preliminary results of review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).
