Rural Business-Cooperative Service

Title: Advanced Biofuel Payment Program.

OMB Control Number: 0570–0063.

Summary of Collection: Section 9005 of Title IX of the Food, Conservation, and Energy Act of 2008 (2008 Farm Bill) authorizes Rural Business-Cooperative Service (RBS) to enter into contracts to make payments to eligible entities to support and ensure an expanding production of advanced biofuels. To receive payments under the Program, eligible entities are producers of advanced biofuels that meet all of the requirements of the Program. Eligible entities can be an individual or legal entity, including a corporation, company, foundation, association, labor organization, firm, partnership, society, joint stock company, group of organizations, or non-profit that produces an advanced biofuel and that sells the advanced biofuel on the commercial market.

Need and Use of the Information: Advanced biofuel producers seeking to participate in the Program must enroll in the Program by submitting an application (Form RD 4288–1), which includes specific information about the producer and the producer's advanced biofuel biorefineries. This information will be used to determine whether the advanced biofuel producer is eligible to participate in the Program and whether the advanced biofuel being produced is eligible for payments under the Program. Form RD 4288–1 will also be used by the Agency to sign-up advance biofuel producers in subsequent fiscal years (FY) and to obtain information to help determine payment rates.

Once an advanced biofuel producer has been approved for participation in the Program, the producer and the Agency will enter into a contract (Form RD 4288–2). Once the contract is signed, the advanced biofuel producer will submit payment requests (Form RD–4288–3), preferably on a quarterly basis. The information in the payment request forms will be used by the Agency to determine payments to the advanced biofuel producers.

Description of Respondents: Business or other for-profit; Individuals.

Number of Respondents: 206.
