

Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Wooden Bedroom Furniture From the People's Republic of China, 70 FR 329 (January 4, 2005). On January 28, 2011, pursuant to section 751(a)(2)(B)(i) of the Tariff Act of 1930, as amended (the "Act"), and 19 CFR 351.214(c), the Department received a timely request for a new shipper review from Dongguan Yujia Furniture Co., Ltd. ("Dongguan Yujia"). Dongguan Yujia certified that it is both the exporter and producer of the subject merchandise upon which its request for a new shipper review is based. On February 3, 2011, the Department placed entry data received from U.S. Customs and Border Protection ("CBP") on the record of this proceeding and requested comments from interested parties. On February 7, 2011, the Department issued a supplemental questionnaire to Dongguan Yujia. On February 10, 2011, Dongguan Yujia submitted comments regarding the entry data received from CBP. On February 14, 2011, Dongguan Yujia submitted its supplemental response. On February 15, 2011, the Department received additional U.S. entry documents from CBP.

Pursuant to section 751(a)(2)(B)(i)(I) of the Act and 19 CFR 351.214(b)(2)(i), Dongguan Yujia certified that it did not export wooden bedroom furniture to the United States during the period of investigation ("POI"). In addition, pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), Dongguan Yujia certified that, since the initiation of the investigation, it has never been affiliated with any PRC exporter or producer who exported wooden bedroom furniture to the United States during the POI, including those not individually examined during the investigation. As required by 19 CFR 351.214(b)(2)(iii)(B), Dongguan Yujia also certified that its export activities were not controlled by the central government of the PRC. *See generally* Memorandum to the File through Abdelali Elouaradia, Director, AD/CVD Operations, Office 4: Initiation of AD New Shipper Review of Dongguan Yujia Furniture Co., Ltd.: Wooden Bedroom Furniture from the People's Republic of China ("Initiation Checklist"), dated concurrently with this notice.

In addition to the certifications described above, pursuant to 19 CFR 351.214(b)(2)(iv), Dongguan Yujia submitted documentation establishing the following: (1) The date on which it first shipped wooden bedroom furniture for export to the United States and the date on which the wooden bedroom furniture was first entered, or withdrawn from warehouse, for

consumption; (2) the volume of its first shipment; and (3) the date of its first sale to an unaffiliated customer in the United States. *See generally* Initiation Checklist.

The Department conducted CBP database queries. The Department confirmed by examining the results of a CBP data query and CBP entry documents that Dongguan Yujia's merchandise entered the United States during the POR as specified by the Department's regulations. *See* 19 CFR 351.214(g)(1)(i)(A). Pursuant to 19 CFR 351.221(c)(1)(i), the Department will publish the notice of initiation of a new shipper review no later than the last day of the month following the anniversary month of the order.

Initiation of New Shipper Review

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(d)(1), the Department finds that Dongguan Yujia meets the threshold requirements for initiation of a new shipper review of its shipment(s) of wooden bedroom furniture from the PRC. *See generally* Initiation Checklist. The POR for the new shipper review of Dongguan Yujia is January 1, 2010, through December 31, 2010. *See* 19 CFR 351.214(g)(1)(i)(A). The Department intends to issue the preliminary results of this review no later than 180 days from the date of initiation, and the final results of this review no later than 270 days from the date of initiation. *See* section 751(a)(2)(B)(iv) of the Act.

It is the Department's usual practice, in cases involving non-market economies, to require that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate provide evidence of *de jure* and *de facto* absence of government control over the company's export activities. Accordingly, we will issue a questionnaire to Dongguan Yujia which will include a separate rate section. The review of the exporter will proceed if the response provides sufficient indication that the exporter is not subject to either *de jure* or *de facto* government control with respect to its exports of wooden bedroom furniture.

We will instruct CBP to allow, at the option of the importer, the posting, until the completion of the review, of a bond or security in lieu of a cash deposit for certain entries of the subject merchandise from Dongguan Yujia in accordance with section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e). Because Dongguan Yujia certified that it both produces and exports the subject merchandise, the sales of which form the basis for its new shipper review request, we will instruct CBP to permit

the use of a bond only for entries of subject merchandise which the respondent both produced and exported.

Interested parties requiring access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are published in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

Dated: February 18, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
