**BILLING CODE 4160-01-S**

## DEPARTMENT OF HOMELAND SECURITY

### Coast Guard

[Docket No. USCG-2008-0462]

### Printing of Coast Guard Light Lists

**AGENCY:** Coast Guard, DHS.

**ACTION:** Notice.

**SUMMARY:** The Coast Guard publishes Light List Volumes 1-4 and 6-7 annually; with Volume 5 being published biennially. In order to adjust to a new printing cycle, the Coast Guard will not publish the 2008 editions of the Light Lists as required by 33 CFR 72.05-1 (50 FR 50904), except for Light List Volume 5 (Mississippi River System). The Coast Guard is changing the publication cycle of the Light List so that annual editions are available early in each calendar year. Since the printing of the 2007 editions occurred in November 2007, they will remain effective for approximately 14 months.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this notice, e-mail Mr. Frank Parker, U.S. Coast Guard Headquarters, at [frank.parker@uscg.mil](mailto:frank.parker@uscg.mil) call or telephone him at 202-372-1551.

**SUPPLEMENTARY INFORMATION:** Between the printing of editions, each Light List is required to be kept up-to-date every week by applying corrections published in the applicable Coast Guard Local Notices to Mariners or the National Geospatial-Intelligence Agency's (NGA) Weekly Notice to Mariners. The requirement to apply corrections is

stated in each volume. By applying the corrections, mariners are able to maintain up-to-date publications regardless of the frequency of newly printed editions. With the cost of each Light List being between \$35-\$50, mariners will not have to incur the costs of the new editions in 2008. The 2009 editions of Volumes 1-4 and 6-7 will be published in early 2009.

To ensure ample and adequate notification is made to the mariner, the Coast Guard will publish information regarding this temporary change to the printing cycle in the notices to mariners, on the Coast Guard's Navigation Center (NAVCEN) Web site (<http://www.navcen.uscg.gov>), and other forms of communications. Coast Guard inspectors will also be informed of this temporary change.

Dated: July 23, 2008.

**James A. Watson,**

*Rear Admiral, U.S. Coast Guard, Director of Prevention Policy.*

## DEPARTMENT OF HOMELAND SECURITY

### Federal Emergency Management Agency

#### Agency Information Collection Activities: Proposed Collection; Comment Request

**AGENCY:** Federal Emergency Management Agency, DHS.

**ACTION:** Notice; 60-day notice and request for comments; new collection, 1660-NW32; FEMA Form 90-152.

**SUMMARY:** The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal

agencies to take this opportunity to comment on a new information collection. In accordance with the Paperwork Reduction Act of 1995, this notice seeks comments concerning the FEMA Public Assistance Program Customer Satisfaction Survey results to measure program performance.

**SUPPLEMENTARY INFORMATION:** Executive Order 12862 requires that all Federal agencies survey customers to determine the kind and quality of services they want and their level of satisfaction with existing services. The Government Performance and Results Act (GPRA) requires agencies to set missions and goals, and measure performance against them. FEMA will fulfill these requirements by collecting customer satisfaction with service and program evaluation information through administration of surveys of the Disaster Assistance Directorate (DAD) external customers.

#### Collection of Information

*Title:* FEMA Public Assistance Program Customer Satisfaction Survey.  
*Type of Information Collection:* New.  
*OMB Number:* 1660-NW32.

*Form Numbers:* FEMA Form 90-152, FEMA Public Assistance Program Customer Satisfaction Survey.

*Abstract:* The purpose of the FEMA Public Assistance Program Customer Satisfaction Survey is to measure program performance against standards for performance and customer service: measure achievement of GPRA objectives; and generally gauge and make improvements to disaster services that increase customer satisfaction and program effectiveness.

*Affected Public:* Business or other for-profit, Not-for-profit, Farms, Federal Government, State, Local and Tribal Government.

*Estimated Total Annual Hour Burden:* 1,920 hours.

#### ANNUAL HOUR BURDEN

| Project/activity (survey, form(s), focus group, worksheet, etc.) | No. of respondents | Frequency of responses | Hour burden per response (hours) | Annual responses | Total annual hour burden (hours) |
|--|--------------------|------------------------|----------------------------------|------------------|----------------------------------|
|  | (A)                | (B)                    |                                  | (D) = (A x B)    | (E) = (C x D)                    |
| PA Mailed Survey .....   | 3,200              | 1                      | 0.3                              | 3,200            | 960                              |
| PA Focus Groups .....  | 80                 | 1                      | 12                               | 80               | 960                              |
| Total .....  | 3,280              | .....                  | .....                            | 3,280            | 1,920                            |

*Estimated Cost:* The estimated annual cost to the Federal Government is \$348,678.57.

*Comments:* Written comments are solicited to (a) Evaluate whether the proposed data collection is necessary for

the proper performance of the agency, including whether the information shall have practical utility; (b) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of

the methodology and assumptions used; (c) enhance the quality, utility, and clarity of the information to be collected; and (d) minimize the burden of the collection of information on those who are to respond, including through
