BILLING CODE 6210-01-S

GENERAL SERVICES ADMINISTRATION

[OMB Control No. 3090-0280]

General Services Administration Acquisition Regulation; Information Collection; Tax Adjustment Clause 552.270-30

AGENCY: Office of the Chief Acquisition Officer, General Services Administration (GSA).

ACTION: Notice of request for comments regarding a renewal to an existing OMB clearance.

SUMMARY: Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the General Services Administration has submitted to the Office of Management and Budget (OMB) a request to review and approve a renewal of a currently approved information collection requirement regarding tax adjustments under leasehold acquisitions. A request for public comments was published at 70 FR 72301, December 2, 2005. No comments were received. This collection requires contractors to submit information to the Government to substantiate an increase or decrease in real estate taxes under a leasehold acquisition so that the Government can make tax adjustments as necessary to the leasehold acquisition. Information collected under this authority is necessary to assess proper tax adjustments against each leasehold acquisition.

Public comments are particularly invited on: Whether this collection of information is necessary and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected.

DATES: Submit comments on or before: March 6, 2006.

FOR FURTHER INFORMATION CONTACT: Gerald Zaffos, Contract Policy Division, at telephone (202) 208-6091 or via e-mail to gerald.zaffos@gsa.gov.

SUPPLEMENTARY INFORMATION:

A. Purpose

The General Services Administration (GSA) has various mission responsibilities related to the acquisition and provision supply, service, and leasehold acquisitions. These mission responsibilities generate requirements that are realized through the solicitation and award of various types of contracts. Individual solicitations and resulting contracts may impose unique information collection and reporting requirements on contractors, not required by regulation, but necessary to evaluate particular program accomplishments, measure success in meeting program objectives, or adjust acquisition requirements. Leasehold acquisitions provide for real estate tax adjustments due to changes in real estate taxes on land and buildings occupied by the Government. In a leasehold acquisition, the lessor shall provide the following information regarding real estate taxes: (1) Any notice which may affect the valuation of land and buildings covered by this lease for real estate tax purposes; (2) Any notice of a tax credit or tax refund related to land and buildings covered by this lease; and (3) Each tax bill related to land and building covered by this lease. The lessor is also required to provide the contracting officer a proper invoice including evidence of payment to receive the tax adjustment. Depending on the leasehold acquisition, the tax adjustment can result in either the lessor receiving a credit or the Government receiving a credit.
