OFFICE OF NATIONAL DRUG CONTROL POLICY

Designation of Two (2) High Intensity Drug Trafficking Areas

ACTION: Notice.

SUMMARY: This notice lists two (2) new
High Intensity Drug Trafficking Areas
(HIDTAs) designated by the Director of
National Drug Control Policy (ONDCP).
The newly designated HIDTAs are the
Nevada HIDTA consisting of Clark
County and the North Florida HIDTA
consisting of Baker, Clay, Duval, Flagler,
Nassau, Putnam, St. Johns and Marion

Counties. These new HIDTAs are
designated pursuant to 21 U.S.C.
1706(b), to promote more effective
coordination of drug control efforts. In
considering whether to designate an
area under this section as a high
intensity drug trafficking area, the
Director considered, in addition to such
other criteria the Director considers to
be appropriate, the extent to which: (1)
The area is center of illegal drug
production, manufacturing, importation,
or distribution; (2) state and local law
enforcement agencies have committed
resources to respond to the drug
trafficking problem in the area, thereby
indicating a determination to respond
aggressively to the problem; (3) drug-
related activities in the area are having
a harmful impact in other areas of the
country; and (4) a significant increase in
allocation of Federal resources is
necessary to respond adequately to
drug-related activities in the area.

This action will support local, state
and Federal law enforcement officers in
assessing regional drug threats,
designing strategies to combat the
threats, developing initiatives to
implement the strategies, and evaluating
the effectiveness of their coordinated
efforts.

FOR FURTHER INFORMATION CONTACT:

Comments and questions regarding this
notice should be directed to Mr. Kurt F.
Schmid, National HIDTA Director,
Office of National Drug Control Policy,
Executive Office of the President,
Washington, DC 20503; (202) 395-6692.

SUPPLEMENTARY INFORMATION: In Fiscal
Year 2000, 1242 agencies participated in
462 HIDTA-funded initiatives within
the 26 previously designated HIDTA
regions throughout the country. The
HIDTA Programs strengthens local, state
and Federal drug trafficking and money
laundering task forces, bolsters drug
enforcement information networks, and
improves integration of law
enforcement, drug treatment and drug
abuse prevention programs, where
appropriate.

Signed at Washington, DC this 9th day of
March, 2001.

Edward H. Jurith,

Acting Director.

FEDERAL EMERGENCY MANAGEMENT AGENCY

Agency Information Collection Activities: Proposed Collection; Comment Request

ACTION: Notice and request for
comments.

SUMMARY: The Federal Emergency
Management Agency, as part of its
continuing effort to reduce paperwork
and respondent burden, invites the
general public and other Federal
agencies to take this opportunity to
comment on the proposed collection of
information. In accordance with the
Paperwork Reduction Act of 1995 (44
U.S.C. 3506(c)(2)(A)), this notice seeks
comments concerning the Capability
Assessment for Readiness (CAR) which
collects data on the capabilities of States
to effectively respond to major disasters
and emergencies.

SUPPLEMENTARY INFORMATION: The CAR
program was established based on the
requirement recognized by both the U.S.
Congress and FEMA that an assessment
of State capabilities was needed to
determine the States' readiness to
effectively respond to major disasters,
and secondarily that FEMA financial
assistance to the States is being
effectively utilized. The answers to
these questions are provided in the CAR
assessment that involves detailed
programmatic questions on mitigation,
preparedness, response, and recovery
activities.

Section 313 of the Robert T. Stafford
Disaster Relief and Emergency
Assistance Act (Public Law 93-288, as
amended) requires the President to
"conduct annual reviews of activities of
Federal agencies and State and local
governments in major disaster and
emergency preparedness and in
providing major disaster and emergency
assistance in order to assure maximum
coordination and effectiveness of such
programs. * * *

Section 613 of the Stafford Act
concerning financial contributions to
States for necessary and essential State
and local emergency preparedness
personnel and administrative expenses
provides that the State "shall make such
reports in such form and content as the
Director may require."
