SUPPLEMENTARY INFORMATION:

Background

On October 1, 2020, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on HR Steel from Australia for the period October 1, 2019, through September 30, 2020.¹ On November 2, 2020, AK Steel Corporation, Steel Dynamics Inc., SSAB Enterprises, LLC, Nucor Corporation, and United States Steel Corporation (the petitioners) timely requested an administrative review of the antidumping duty order with respect to BlueScope Steel, Ltd.² Commerce

received no other requests for an administrative review of the antidumping duty order.

On December 8, 2020, pursuant to section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i), we published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on HR Steel from Australia with respect to BlueScope Steel, Ltd.³ On March 3, 2021, the petitioners timely withdrew their administrative review request for BlueScope Steel, Ltd.⁴

Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. The petitioners withdrew their request for review within 90 days of the publication date of the *Initiation Notice*. No other parties requested an administrative review of the antidumping duty order. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding the administrative review of the antidumping order on HR Steel from Australia for the period October 1, 2019, through September 30, 2020, in its entirety.

Assessment

Commerce will instruct CBP to assess antidumping duties on all appropriate entries of HR Steel from Australia during the POR at rates equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment

³ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 85 FR 78990 (December 8, 2020) (*Initiation Notice*). Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.
